

10th HOSPIMEDICA Medical Fair Asia, Singapore, 15-17th September 2010

PHD Chamber is coordinating participation of its members with ITPO for an international expo as per following details:

Title : 10th HOSPIMEDICA Medical Fair Asia, Singapore
Dates : 15-17 September 2010
Venue : Suntec City, Singapore

The fair would cover all types of **Hospital equipment & services and Technology for hospitals, laboratory, pharmacies, health clinics and medical offices etc.** In the last edition of this fair around 370 exhibitors from 32 countries displayed their products, whereas 6011 business visitors from 50 countries visited the Show. The Stalls are available at a subsidized rate of **US \$ 350/-per sq. mts** (min. stall size is 9 sq. mts which can be increased in multiples of 3 sq. mts). This show has been approved under **MDA scheme of the Department of Commerce**, Government of India. Eligible companies under this scheme are entitled under Focus ASEAN plus 2 for claiming **Rs 1.50 lacs** for participation in this Show. For further information regarding MDA, please visit www.commerce.nic.in

This is a unique opportunity for members of PHD Chamber to showcase and promote their business interest in the **ASEAN region**. Since there are a **limited number of stalls**, the allotment of stall will be on first come first served basis. May we request you to please inform about your interest in participation by sending us the completed Response Slip at the earliest so that we can reserve space for your organization.

<u>Who should participate :</u>	<u>Profile of exhibitors / exhibits:</u>
<ul style="list-style-type: none"> - Hospital Operations teams (technicians, nurses, critical care staff) - Health Ministry officials - Biologists, biochemists, technicians - Pharmacists - Surgical equipment manufacturers - Hospital furniture manufacturers - Rehabilitation centres and nursing homes 	<ul style="list-style-type: none"> - Accident and emergency equipment - Building technology and services - Catering and kitchen equipment - Communication and information technology - Dental equipment and supplies - Electro medical equipment/ Medical technology - Lab equipment - Medical consumables - Pharmaceutical supplies - Rehab equipment/Orthopaedic supplies - Diagnostics
