15 - 16 MAY 2018
MUMBAI, INDIA

MANGO
& MANGO PRODUCTS

- Mango (*Mangifera indica* Linn) is the most important fruit of India and is known as “**King of fruits**”.
- Cultivated in the largest area i.e. 2,312 thousand ha (world 4946 thousand ha)
- Production is around 18.6 Mln Mt
- 40.48% of the world production of mango.
- Export of mangoes from India is 59.22 thousand tons, valuing USD 66.94 Million (Rs 44,366.03 lakh) during 2016-17.

WHY INDIA FOR SOURCING FRUITS AND VEGETABLES?

- One of the fastest growing economies
- With production at 259 million MT, India ranks as the 2nd largest producer of Fruits and Vegetables (F&V) in the world
- India exported fresh fruits and vegetables to over 40 countries worth USD 1.6 Bn and processed fruits and vegetables worth USD 1.1 Bn (2016-17).
- India is also a major exporter of Mango Pulp in the world. The country has exported 1,35,621.22 MT of Mango Pulp to the world for the worth of Rs. 864.97 crores / 129.29 USD Millions during the year 2016-17.
- India has world class ports, for perishable cargo, logistics & supply chain infrastructure
- India's location gives it the unique advantage of connectivity to Europe, the Middle East, Japan, Singapore, Thailand, Malaysia and Korea.
- Proactive Government policies for export promotion

About Us

PHD Chamber of Commerce & Industry, a leading Industry Chamber of India, ever since its inception in 1905, has been an active participant in the India Growth Story through its Advocacy Role for the Policy Makers and Regulators of the Country. Regular interactions, Seminars, Conference and Conclaves allow healthy and constructive discussions between the Government, Industry and International Agencies bringing out the Vitals for Growth. As a true representative of the Industry with a large membership base of 48000 direct and indirect members, PHD Chamber has forged ahead leveraging its legacy with the Industry knowledge across sectors (58 Industry verticals being covered through Expert Committees), a deep understanding of the Economy at large and the populace at the micro level.

At a Global level we have been working with the Embassies and High Commissions in India to bring in the International Best Practices and Business Opportunities.

PHD Chamber has special focus on seven thrust areas:

- Infrastructure
- Housing
- Health
- Education & Skill Development
- Agriculture & Agri-business
- Industrial Development
- Digital India
