| | |
|-----------------------|--|
| Day & Date | Friday, 5th April 2019 |
| Time | 09:30 a.m. onwards |
| Venue | PHD House, New Delhi |

The theme of the Conference is to highlight the strong economic relations between India and Europe and discuss ways to further strengthen this relationship. The Conference will also deliberate on issues and challenges

Objective

- Highlight the potential for bilateral economic cooperation between India and Europe – Sectors & Countries
- Discuss the practical aspects of doing business with the EU and India
- Identify the opportunities and key challenges for trade and investment in Europe for Indian Industry especially the Indian SME Sector and vice versa

of doing business in both India and Europe and will try to recommend possible solutions.

As you are aware, EU is India's largest trading partner and a key objective of the EU in its trade relations with India is to work towards a sound, transparent, open, non-discriminatory and predictable regulatory and business environment for European companies trading with or investing in India, including the protection of their investments and intellectual property. The aim is to contribute to unlocking the untapped potential of the two-way trade between India and the EU.

This Conference provides a platform for unleashing new possibilities of partnering, covering some key sectors such as Logistics, Retail, Healthcare, Automobiles and Ancillaries, Food Processing, Tourism etc. and will also highlight various initiatives undertaken by Government of India to promote India-EU partnership. It will also highlight the attractions for the Indian companies to invest in the European countries.
