There has been a notable trend in the growing importance of Export Oriented Units (EOUs) or Special Economic Zones (SEZs) that are privately owned, developed, or operated. There are 234 Operational SEZs in India as on 30th June, 2019. Exports from SEZs registered a growth of 21% in 2018-19 over the corresponding period of 2017-18.

Recently, a committee headed by Mr Baba Kalyani, Chairman & MD, Bharat Forge limited had submitted a report on SEZs which has proposed to rename SEZs in India as 3Es- Employment and Economic Enclave, with the objective of moving from island of exports to catalyst of economic and employment growth. Thus, SEZs are becoming more and more relevant and the 3Es aims to bring together all categories of investors that enable economic activity or job creation and investment targeted towards leveraging domestic demand.

With this objective, **PHD Chamber of Commerce and Industry** in collaboration with **Export Promotion Council for EOUs & SEZs (EPCES) Noida** is organizing an **Interactive Session on EOUs / SEZ Units / SEZ Developers in India on Friday, 11th October 2019, 4:30 pm onwards at Modi Hall, PHD House, New Delhi**
