Of the, especially when I say that we have been able to position ourselves as.

168

00:16:54.958 --> 00:17:05.939

For leader, each member of a chamber is fulfilled that commitment and assisted with projects and given what time they put in there.

169

00:17:05.939 --> 00:17:09.898

Hectic study at this special movement.

170

Through the journey to the journey has been, but.

173

00:17:22.558 --> 00:17:27.088

It has resulted Ben in making PG Chamber of commerce and industry.

174

00:17:27.088 --> 00:17:30.689

As 1 of the national numbers in the country.

175

00:17:30.689 --> 00:17:33.868

Well, recognized, even by the commerce ministry.

176

00:17:33.868 --> 00:17:39.118

Which has the task of recognizing various chambers as infection.

177

00:17:39.118 --> 00:17:43.739

You are Mr.

178

00:17:43.739 --> 00:17:47.429

When he interacted with the members of the Chamber of commerce.

179

00:17:47.429 --> 00:17:57.749

He clearly mentioned that these December is now more job Brianna deli chamber. It is a infection, but it is progress. Harmony and development.

180

00:17:57.749 --> 00:18:00.868

We have all achieved.

181

00:18:00.868 --> 00:18:04.318

A lot of success, but it is critical. It is critical.

182

00:18:04.318 --> 00:18:08.398

That we maintain the success for the years to come in fact.

183

00:18:08.398 --> 00:18:13.558

We multiply by several more readily accolades and because we.

184

00:18:13.558 --> 00:18:17.759

There is a lot of learning ahead so be focused.

185

00:18:17.759 --> 00:18:21.419

Persistent and be successful in the future and.

186

00:18:21.419 --> 00:18:27.838

My emphasis here would be on institutionalization over chamber.

187

00:18:27.838 --> 00:18:33.628

With White D, and broadly it's membership base across all states and union territories.

188

00:18:33.628 --> 00:18:42.148

189

00:18:42.148 --> 00:18:51.538

It's a.

270

00:27:35.939 --> 00:27:42.778

It's really been a very, very old and a great day will be great.

271

00:27:42.778 --> 00:27:52.858

I think we never felt that we are attending a virtual agent, not a real.

272

00:27:52.858 --> 00:27:58.739

On Saturday, I think this is because all of us all.

273

00:27:58.739 --> 00:28:06.088

All stakeholders, they're all the everybody who is part of the team starting right? From our former president to the.

274

00:28:06.088 --> 00:28:12.239

The leadership of Dr Decatur while and my colleague, vice president and.

275

00:28:12.239 --> 00:28:18.749

Secretary secretary, general, all the 1, the members members of the managing committee on the.

276

00:28:18.749 --> 00:28:22.259

The chamber members, I think the way we all.

277

00:28:22.259 --> 00:28:25.858

Participated enthusiastically today and.

278

00:28:25.858 --> 00:28:30.778

We have made it sure that nobody feels anything is a mess.

279

00:28:30.778 --> 00:28:36.778

We have had a grand celebration, a proper celebration of our annual general day meeting day.

280

00:28:36.778 --> 00:28:42.898

I think this is something which I must time each and every 1 of these I named.

281

00:28:42.898 --> 00:28:46.528

And I said our leadership former president.

282

00:28:46.528 --> 00:28:51.179

Are they going to be general managing committee members?

283

00:28:51.179 --> 00:28:57.179

The chamber member, all members of the chamber who are not even in the managing company, but still.

284

00:28:57.179 --> 00:29:02.189

The full time to attend the agent in such a large numbers.

285

00:29:02.189 --> 00:29:07.409

I think it's been a very intuitive day for me also.

286

00:29:07.409 --> 00:29:11.638

To see and hear from so many so many retirees.

287

00:29:11.638 --> 00:29:18.148

And so many of my seniors in the chamber, and from my colleagues and.

288

00:29:18.148 --> 00:29:22.949

Uh, I, the experts in various fields, I think, uh, very rewarding day.

289

00:29:22.949 --> 00:29:31.499

And the main tanks that go today at the end of place, which here are, of course.

290

00:29:31.499 --> 00:29:35.729

To our president Dr. who has.

291

00:29:35.729 --> 00:29:39.028

I must say, go much beyond the call of duty.

292

00:29:39.028 --> 00:29:44.519

In this year, which was set by stress disasters and.

293

00:29:44.519 --> 00:29:47.818

Of the covered 90.

294

00:29:47.818 --> 00:29:55.949

I think, as we all love to see that none of us and seen such a disaster in our lifetime.

295

00:29:55.949 --> 00:29:59.729

The last disaster of such a scale happening.

296

00:29:59.729 --> 00:30:03.659

Already is back in 1919 and our president.

297

00:30:03.659 --> 00:30:06.778

Has done a really good job.

298

00:30:06.778 --> 00:30:11.068

Of leading the chamber in these troubling times and making sure.

299

00:30:11.068 --> 00:30:15.778

That not only do we do our job? Well, but we do our job.

300

00:30:15.778 --> 00:30:19.858

Very, very well, we do the job much better.

301

00:30:19.858 --> 00:30:26.128

Any of our so far competition, even whereas in social service, or in on this field of the.

302

00:30:26.128 --> 00:30:31.019

Chamber, you know, I don't think we have any company does as we are all trying to group up on the same.

303

00:30:31.019 --> 00:30:44.519

Females, but then people must realize that even in the same way, we trying to really exceed the brief really, really to go all for it. And that is what the chamber as a team.

304

00:30:44.519 --> 00:30:49.378

From the day of the pandemic, the day of the log down.

305

00:30:49.378 --> 00:30:53.759

I think the chamber was not at ease. We were not.

306

00:30:53.759 --> 00:30:58.169

Risking we were not relaxing. We were.

307

00:30:58.169 --> 00:31:03.358

Out with our 1st, virtual meeting, I think on the very 1st of April.

308

00:31:03.358 --> 00:31:09.209

Uh, all of this happened on the watch of who.

309

00:31:09.209 --> 00:31:15.959

Took a personal lead in making sure that all these programs are very been organized.

310

00:31:15.959 --> 00:31:19.858
And his own input was always impeccable.

311
00:31:19.858 --> 00:31:24.989
Always the work of a lot of study, he never came back to any of these meetings.

312
00:31:24.989 --> 00:31:28.048
Imports are always very highly value.

313
00:31:28.048 --> 00:31:37.259
So, the the way that the chamber was able to become the right bridge between between the trade and industry on 1 hand, and the comment on the other and.

314
00:31:37.259 --> 00:31:40.558
I think no other chamber was able to play this sort of a role.

315
00:31:40.558 --> 00:31:46.709
We were able to bring forth the issues that our members were facing.

316
00:31:46.709 --> 00:31:55.709
And we must admit that the government and the state governments, whether we are not talking politics here, we are not talking which state rule by hope.

317
00:31:55.709 --> 00:32:00.778
But everywhere, wherever there were issues all governments of all stripes.

318
00:32:00.778 --> 00:32:04.648
And the central government were very forthcoming.

319
00:32:04.648 --> 00:32:12.148
Whether there was a minister on the seminar, or maybe not, or it was chief signatory of them.

320
00:32:12.148 --> 00:32:17.909
Other senior operation, our, our problems difficulties. welfur discuss.

321
00:32:17.909 --> 00:32:25.588
And in many, so many cases, sorted out more than 150 the reservations went from the chamber as mentioned to, you.

322
00:32:25.588 --> 00:32:32.128

I'm a large majority, probably even more than 70%, but given positive consideration by the government.

323

00:32:32.128 --> 00:32:36.419

I think that is the biggest between for us in this era of difficulty.

324

00:32:36.419 --> 00:32:40.378

This is the year when we face what situation, which we had never seen.

325

00:32:40.378 --> 00:32:43.409

And who have been able to handle it.

326

00:32:43.409 --> 00:32:47.249

With so much strength and fortitude.

327

00:32:47.249 --> 00:32:51.929

And with us white on his face, always, I think we all.

328

00:32:51.929 --> 00:32:56.398

Must give standing ovation to our president together.

329

00:33:09.898 --> 00:33:15.269

We have done hundreds of things in this year, and all those kinds of things that we have done this year.

330

00:33:15.269 --> 00:33:18.749

We usually do every area with their minor variation.

331

00:33:18.749 --> 00:33:26.489

So, all those things that incremental achievements, what we have achieved in the time of pandemic is not an incremental improvement.

332

00:33:26.489 --> 00:33:32.548

It is a way beyond the next step. It's it's the next the next level.

333

00:33:32.548 --> 00:33:40.229

And that's what I must, uh, Decatur well, for, but I think he has made my job very difficult how to better.

334

00:33:40.229 --> 00:33:51.419

There's a performance, I'll give it my anyways. Right but let me just say, really, really great for to be very, very grateful to our former presidents lab.

335

00:33:51.419 --> 00:33:55.648

Participated so actively who have given us advice.

336

00:33:55.648 --> 00:34:01.318

Throughout the year we have talked to us through the year, even in today's age and punching.

337

00:34:01.318 --> 00:34:05.638

We saw such a large number of our former president.

338

00:34:05.638 --> 00:34:08.878

Uh, actively participating, advising and doing everything.

339

00:34:08.878 --> 00:34:17.789

Our managing committee, which is made of some of the best of materials, or some of the most prominent names, and some of the most.

340

00:34:17.789 --> 00:34:22.528

Below names and active names and knowledgeable names in the industry.

341

00:34:22.528 --> 00:34:27.418

Uh, our secret area, which has worked, so very hard during these very difficult times of stress.

342

00:34:27.418 --> 00:34:32.099

I must appreciate the sort of work that has come out of the secretary.

343

00:34:32.099 --> 00:34:37.679

When I think, uh, let us share of 1 Frank point also.

344

00:34:37.679 --> 00:34:45.358

Yes, even their salaries were cut because the chamber was missing a huge, huge leap, difficult financial situation.

345

00:34:45.358 --> 00:34:51.208

But what we have found is that it, despite the November salaries having been reduced.

346

00:34:51.208 --> 00:35:05.489

Our secretary was fully up to the job, they have done a real great job. And what I can say is that the only thing that I should genuinely be seeing right now to our similarities.

347

00:35:05.489 --> 00:35:14.188

Ready done and Bravo and thank you so much I think.

348

00:35:14.188 --> 00:35:21.539

Thanks to my colleague who has worked tirelessly throughout the air.

349

00:35:21.539 --> 00:35:34.679

Some of the brightest ideas this year in from him and I am very sure that in the coming year, we'll continue on our next level on a higher level being the senior vice president.

350

00:35:34.679 --> 00:35:40.528

So my thanks again to him and very, very grateful. Thank.

351

00:35:40.528 --> 00:35:50.608

Will join in the middle of the pandemic. He actually joined a after the lockdown it happened, and it was something we must appreciate.

352

00:35:50.608 --> 00:35:53.938

And they appreciate his courage for doing that also.

353

00:35:53.938 --> 00:35:57.059

In changing during that period. So.

354

00:35:57.059 --> 00:36:04.528

Uh, thanks to all the directors all the things.

355

00:36:04.528 --> 00:36:08.309

I think again we should give a special round of applause.

356

00:36:08.309 --> 00:36:18.719

For the whole right from this sort of.

357

00:36:18.719 --> 00:36:21.838

I am depositing back.

358

00:36:21.838 --> 00:36:30.239

Now, to no, I'm not handing back the proceedings and rather keeping them in my family.

359

00:36:30.239 --> 00:36:40.018

And now I'm requesting, I'm requesting for my colleagues and friends here in the jail.

360

00:36:40.018 --> 00:36:44.639

To if they wish to speak on any subject, including.

361

00:36:44.639 --> 00:36:48.809

Including our president not.

362

00:36:48.809 --> 00:36:53.039

Thank you.

363

00:36:53.039 --> 00:36:57.268

But the problem is, don't waste visitor time. Okay.

364

00:36:57.268 --> 00:37:00.628

There is not over so I did.

365

00:37:01.614 --> 00:37:13.463

Thank you senior VP and Dr deacon what we have had absolutely standing to make and then other staff very,

366

00:37:13.463 --> 00:37:19.793

very 100 the Thank you very much for giving the opportunity to work as the vice president.

367

00:37:19.793 --> 00:37:23.273

Normally I, just comes and relaxes. You gave me a lot of opportunity.

368

00:37:24.509 --> 00:37:29.159

It was a pleasure to work with you and to be able to implement some ideas.

369

00:37:29.159 --> 00:37:42.778

Again, I say what, an outstanding here, I do hope, you will not go off to sleep and you will remain active, like, all former presidents, and keep on giving us your suggestions and advice to be able to take the chapter to, to take the chamber to greater rights.

370

00:37:42.778 --> 00:37:45.869

Thank you again and God bless you with success.

371

00:37:45.869 --> 00:37:52.228

Thank you.

372

00:37:58.409 --> 00:38:02.548

Now, that opens that anybody wants to.

373

00:38:02.548 --> 00:38:14.639

I'm here is.

374

00:38:14.639 --> 00:38:20.190

Mr. President cannot come in.

375

00:38:26.934 --> 00:38:27.565

No, no.

376

00:38:48.750 --> 00:38:51.929

Silence.

377

00:38:51.929 --> 00:38:56.969

Kids, you know, huh?

378

00:38:56.969 --> 00:39:00.929

Not not unmuted. Can you not hear me.

379

00:39:00.929 --> 00:39:07.409

You can hear you now. Okay. Okay. So I'm saying, congratulations to you for a very successfully.

380

00:39:07.409 --> 00:39:10.920

You have you have the chamber in very difficult times.

381

00:39:10.920 --> 00:39:14.789

You have like, a real warrior along with your team.

382

00:39:14.789 --> 00:39:18.000

Senior Vice President I got while in wisdom and.

383

00:39:18.000 --> 00:39:21.869

You are really short your leadership skills.

384

00:39:21.869 --> 00:39:29.909

And I would also like to go with the secretarial led by sort of, and all the senior directors and all this stuff.

385

00:39:29.909 --> 00:39:34.530

Of the chamber, it has been a regret here.

386

00:39:34.530 --> 00:39:43.050

A lot of new initiatives have have taken place this year and I'm sure many more will come.

387

00:39:43.050 --> 00:39:49.050

During the next year, also, I understand there has been a great publicity for the.

388

00:39:49.050 --> 00:39:57.389

Which was at power, or even better than other Chamber of national chambers, which is another initiative.

389

00:39:57.389 --> 00:40:02.639

So, I also hope that our new president coming in.

390

00:40:02.639 --> 00:40:08.429

Mr. Sunday I will take a good queue from you and will increase.

391

00:40:08.429 --> 00:40:12.090

Will make the flag of Hi, even higher.

392

00:40:12.090 --> 00:40:19.019

Thank you.

393

00:40:19.019 --> 00:40:24.150

This is your.

394

00:40:26.099 --> 00:40:29.610

Right. Please.

395

00:40:29.610 --> 00:40:36.570

They are a difficult time, I think a great job done in spite of all the difficulties.

396

00:40:36.570 --> 00:40:40.739

Along with Sergei and I.

397

00:40:40.739 --> 00:40:43.769

The same year ahead.

398

00:40:43.769 --> 00:40:50.250

With pandemic hitting as we go along so visual, which which great.

399

00:40:50.250 --> 00:40:54.090

Compliments to him and a great here. Right thanks.

400

00:41:09.085 --> 00:41:19.554

Oh, okay. Okay. So let me also echo what a show can set. Congratulations for a excellent here.

401

00:41:19.885 --> 00:41:24.684

I know this was a difficult time and you really came out very well in that.

402

00:41:25.045 --> 00:41:39.715

And as I said that, in the period, I never felt that I'm working alone in my company because there was whole chamber secretarial and the lot of support came for resetting our businesses.

403

00:41:39.954 --> 00:41:51.655

I think that's something which is super super job done by the secretary at and by you. Of course, you under your guidance and leadership. My complements to you and gradually you are moving our group now.

404

00:41:51.775 --> 00:41:59.005

So, maybe after 1 more year and we'll welcome to our group.

405

00:41:59.215 --> 00:42:07.764

And, of course, complements 2 sons and my friend per I think there's a lot of complements and good wishes.

406

00:42:07.974 --> 00:42:20.034

My only point is for it, then he goes because of keeping in mind the time there's an agenda, which I think the appointment of auditors should have been there. Please see that that has not been done.

407

00:42:21.090 --> 00:42:29.519

Yes, uh, so did you, thank you for pointing it out. What is your very important agenda? There is appointment of.

408

00:42:29.519 --> 00:42:35.670

So, I think it just keep your attention, but that has to be passed.

409

00:42:36.804 --> 00:42:51.025

So include that, and it is upon our auditor statute your return. So I'll send you that already for 5 years last year.

410

00:42:55.224 --> 00:43:05.034

Okay. Okay. And then we are now currently ready for 5 years. Okay. Okay. Okay. No worries. There's no need. Okay. Thank you.

411

00:43:09.989 --> 00:43:14.099

No, how can you have or? No.

412

00:43:14.099 --> 00:43:18.989

Was it tonight? Yeah, I knew about the check. Yeah.

413

00:43:18.989 --> 00:43:23.820

And thank you for being our president for 1 year.

414

00:43:23.820 --> 00:43:30.420

And you kept your cool and as everybody said.

415

00:43:31.710 --> 00:43:36.360

That you're a very humble person, always smiling.

416

00:43:36.360 --> 00:43:39.869

And you, when people by lab.

417

00:43:39.869 --> 00:43:44.039

And God bless you, thank you very much.

418

00:43:44.039 --> 00:43:48.539

Good.

419

00:43:58.769 --> 00:44:06.000

I showed the output.

420

00:44:07.260 --> 00:44:11.550

Just want to appreciate Mr. D.

421

00:44:11.550 --> 00:44:15.900

For his, uh, teamwork where he carried.

422

00:44:15.900 --> 00:44:27.059

Everybody along all the time, and I must say that kid is 1 unit team. That is a quality, which, and I do hope.

423

00:44:27.059 --> 00:44:39.389

That again, keep same tempo and my congratulations to the secretary who has this time, particularly.

424

00:44:39.389 --> 00:44:48.480

Correct when this all meetings with today's was becoming difficult morning, but they handled it. Well.

425

00:44:48.480 --> 00:44:51.780

Because, uh.

426

00:44:51.780 --> 00:44:58.619

The, the members are including including everybody.

427

00:44:58.619 --> 00:45:05.280

But thank you so much. Thank you. Thank you so much.

428

00:45:06.570 --> 00:45:12.989
It's funny because he, he.

429
00:45:12.989 --> 00:45:19.710
Wonderful job.

430
00:45:24.000 --> 00:45:28.050
During the last, I think.

431
00:45:30.329 --> 00:45:34.019
Eva.

432
00:45:34.019 --> 00:45:37.769
Guiding.

433
00:45:39.539 --> 00:45:42.570
Take a good job.

434
00:45:42.570 --> 00:45:46.139
I'm sure.

435
00:45:46.139 --> 00:45:51.780
Leadership is.

436
00:45:51.780 --> 00:45:55.289
Easier.

437
00:45:55.289 --> 00:46:00.269
But I think we'll still spend some time.

438
00:46:00.269 --> 00:46:05.010
Entering the email.

439
00:46:08.429 --> 00:46:13.619
Okay.

440
00:46:13.619 --> 00:46:19.619
Will you please.

441
00:46:19.619 --> 00:46:23.429
A good evening everyone.

442
00:46:23.429 --> 00:46:27.659
I have been it's the, all the.

443

00:46:33.690 --> 00:46:38.250

Why don't you.

444

00:46:38.250 --> 00:46:46.380

Would remain connected the key thing, which I found, which was so difficult, which you were able to do.

445

00:46:46.380 --> 00:46:53.849

In this time, because people are staying away, they are at home, but on every action of the chamber.

446

00:46:53.849 --> 00:47:00.179

As a leader you let from the front, I also would like to commend.

447

00:47:00.179 --> 00:47:07.469

The team of I think they have worked beyond expectations that.

448

00:47:07.469 --> 00:47:16.619

In every is a very, very well job done and of course, leading from the top, without leaders, things don't go in that direction.

449

00:47:16.619 --> 00:47:21.239

So all of you, you have loved amazingly well, and, uh.

450

00:47:21.239 --> 00:47:29.789

I think that this, uh, you know, you have 100 years and so every kind of leadership has come, but this year will be remembered.

451

00:47:29.789 --> 00:47:38.400

For a very, very long time. Thanks to you and great job of assistance, uh, from, uh, our senior.

452

00:47:38.400 --> 00:47:42.809

And the vice president, because in all the meetings, I found them.

453

00:47:42.809 --> 00:47:53.280

Closely working with you, which is again something which this is the culture of the chamber, which you continued and I am sure sanja, you will continue to do that.

454

00:47:53.280 --> 00:48:06.119

Which is the strength of the chamber job very, very, very complements from me to everyone in the chamber. And, of course, mainly and the leadership. Thank you, sir.

455

00:48:06.119 --> 00:48:09.719

Silence.

456

00:48:09.719 --> 00:48:12.750

Silence.

457

00:48:14.429 --> 00:48:18.510

Mr. bye.

458

00:48:18.510 --> 00:48:22.949

I know, you know, everybody.

459

00:48:22.949 --> 00:48:30.750

Good evening. Everybody from that.

460

00:48:30.750 --> 00:48:36.869

463

00:48:47.849 --> 00:48:51.150

00:48:51.150 --> 00:48:57.750

What you gentlemen have done and thanks to Rajiv also immediate.

465

00:48:57.750 --> 00:49:01.050

Who support was available throughout? I have seen.

466

00:49:01.050 --> 00:49:13.980

It was a wonderful year and times for the leadership. Okay. I appreciate all the best and, of course, last, but not least the team in our chamber.

467

00:49:13.980 --> 00:49:17.070

I must compliment them great job and they should continue the great diesel.

469

00:49:23.070 --> 00:49:31.349

And, of course, last, but not the least again, the 1st, president of the chamber are the real pillars.

470

00:49:31.349 --> 00:49:35.250

471

00:49:35.250 --> 00:49:39.599

In full strength and support and guide that shape.

472

00:49:39.599 --> 00:49:45.300

I wish all the best and the best for a year to.

473

00:49:45.300 --> 00:49:49.980

Money.

474

00:49:49.980 --> 00:49:56.400

To greater heights my highest compliments to.

475

00:50:04.704 --> 00:50:16.224

Yeah, thank you. Thank you. Uh, I must compliment the Chamber of commerce and the leadership of the, uh, which has been an excellent year.

477

00:50:30.744 --> 00:50:32.574

So, would the business of the leadership.

478

00:50:32.849 --> 00:50:40.409

Under such similar conditions, organizing, such beautiful programs and even making the.

479
