First consignment of vegetables exported to UAE from Uttarakhand

In a major boost to agricultural produce exports from Uttarakhand, first consignment of vegetables including curry leaf, okra, pear and bitter gourd sourced from the farmers of Haridwar, was exported today to Dubai, United Arab Emirates.

The exports of vegetables come after a consignment of millets grown in Uttarakhand was exported to Denmark in May, 2021.

In 2020-21, India exported fruits and vegetables valued at Rs 11,019 crore compared to Rs 10,114 crore worth of exports in 2019-20, which is an increase of close to 9%.
