

Government launches KIERI-UGC Higher Education Leadership Development Programme for Administrators in New Delhi

The Hon'ble Union Minister of Human Resource Development, Shri Ramesh Pokhriyal Nishank, launched 'Higher Education Leadership Development Programme for Administrator' – a joint initiative of UGC and British Council under the auspices of UK India Education and Research Initiative (UKIERI). It aims to deliver a leadership development programme for middle and senior level administrative functionaries in Indian Universities.

The main objective of the programme is to train the senior and middle level academic administrators to enable them to bring about systemic changes with renewed approaches, capacity, tools and skill in Universities in India. This "Higher Education Leadership Development Programme for Administrators" ensures effectiveness on the part of the administrative functionaries of the Universities.

The programme includes two workshops conducted by UK trainers, which will train about 300 academic administrators in the level of Registrar and Joint/Deputy/Assistant Registrar to enable them to bring about professional transformation in the higher education institutions. Further to make the programme sustainable 30 potential future leadership development programme trainers from among the 300 participants will be chosen and will be given additional training to train others.
