The salient features of the portal:

- All recognised educational institutions of the country are eligible to participate in this programme.

- The registration for participation will be done by the education institutions through the web-portal.
- E-training modules, videos, photographs and scripts are available on the portal for online self-learning of the participants.
- After successful registration, the educational institutions will be able to conduct youth parliament sittings in their respective institutions.
- Each student taking part in the sitting will get a Digital 'Certificate of Participation' and each Teacher-in-charge and Head of Institution will get a 'Certificate of Appreciation' through the web portal.
