

LEADERSHIP, PHD CHAMBER

Mr. Pradeep Multani
President

"TIFS is a remarkable initiative of PHD Chamber for providing a secure and personalized single entry point to all trade and investment related information in the Indian Economy. This has been useful in reducing the time and hassle involved in appraising fruitful investments in the continuously changing economic ecosystem. Also, it is useful in developing communities of businesses, traders and investors. The portal has been providing valuable feedback on time and essential information can be transmitted to members conveniently in a more robust and effective manner."

Mr. Saket Dalmia
Sr. Vice President

"The TIFS portal is a one-stop solution that caters to all the trade and investment related requirements of existing and potential investors across the globe. The portal has been integrated with rich resources and comprises of economists from PHD Research Bureau. TIFS has the ability to deliver quality assistance to people and businesses across the globe to conduct trade and make investments in India."

Mr. Sanjeev Agrawal
Vice President, PHDCCI

"The specialized desk on TIFS exposes endless possibilities in the areas of trade and investment in India. In order to bolster the assistance mechanism, trade portal has been designed uniquely and gets the task done effectively. Moreover, the inputs delivered on trade and investment to the people and businesses are highly valuable, reliable and informative. This has added profound value not only to PHD Chamber's activities but also to the businesses across the sectors."

Mr. Sanjay Aggarwal
Immediate Former
President

"The Trade and Investment facilitation services dedicated desk setup under the auspices of PHD Research Bureau acts as a single point information hub for all trade and investment related opportunities in India. TIFS provides information not only of the central level developments but also covers the states from grassroots. The uniqueness of the portal is in its personalized service to people and businesses across the globe".

Mr. Saurabh Sanyal
Secretary General

"Trade and Investment Facilitation Services (TIFS) provides a unique, comprehensive and single-point access to businesses for investing in India and abroad. The focus of TIFS is to create a robust platform for boosting trade and investment flows in India. Being an information and advisory hub, TIFS provides detailed information for facilitating business firms to invest in India and abroad".
