REHOBOTH TOWN COUNCIL
RE-ADVERTISEMENT

CALL FOR EXPRESSION OF INTEREST (EOI)
SETTING UP A SOLAR POWER PLANT IN REHOBOTH

1. Background
Over the years, the Council of Rehoboth has been receiving applications from individuals and private companies requesting for permission to set up Solar Power Plant(s) and to have a PPA negotiated. These applications have become significant in numbers, that Council cannot provide an assessment for each of them, neither to assess their competitiveness and relevance and / or compliance. Further, under the ECB (Electricity Control Board) supported MSBMM rules, clear guidelines to any future RE solution (Solar) are provided. Hence to identify, on fair and transparent principles, the best partner and long - term cooperation for RTC, a resolution was taken to fairly manage the situation by Calling for Expression of Interests from reputable and experienced local registered companies to participate in the fair and competitive manner to establish a Solar Power Plant in the RTC Distribution License area.

2. Objective
The construction of a Solar Power Plants, and a medium- to long term PPA (Power Purchase Agreement) based on the proposal received under the EOI. The key driver it to benefit ALL residents and businesses on a net lower cost of electricity in Rehoboth Distribution area.

3. Provision
RTC (Rehoboth Town Council) will make available the required land (12.5ha) within a 1km distance of the in-feed point to a Main Intake Distribution Station (NamPower-Infeed) to allow the plant to comply to respective grid codes applicable wrt. Visibility and Controllability of the proposed PV plant by the National Transmission Provider.

4. Evaluation Criteria
The evaluation criteria will be issued to parties intending to submit a bid, based on a terms sheet that will be distributed accordingly. Key drivers will be the cost of electricity, tariff structure, escalation over the lifespan of the plant proposed, management of the construction, operation and closure/rehabilitation of site (past useful lifetime) and the position of the submitting party in terms of financial standing, local experience and local resources.

5. Information available
All information required by prospective bidders will be made available and issued accordingly, including, but not limited to:

- Current NamPower / Council Tariff structure.
- Diagram depicting the proposed intake station / feeder bay and any related requirement, technical and financial.
- Current applicable technical rules.

- Proposed spatial arrangement / area where the plant will be constructed.
- Historic (one year) load profile and expected growth.
- RTC (Rehoboth Town Council) project assessment.
- Any information, as applicable and available, requested by any party, distributed to all parties.

6. Expected delivery of the PV plant owner/operator

- Construction and operation of a suitable plant to comply to MSBMM rules in terms of capacity.
- Full grid compliance and all and entire components / plant required to be provided to comply to the Grid Code.
- Full OM of the plant – PPA agreement concluded.

7. Submission

- Completed proposal
- Completed Terms sheet
- Completed Company Profile and references (not more than 5 pages)
- Relevant additional information

8. Expression of Interest
Requests to submit an EOI – and to receive the information as listed under 5. above.
Contact via Email:
Mrs. Shirley Bruwer - Head of Procurement
Rehoboth Town Council -
procurement@rtc.org.na
Requests for to participate in the EOI no later than 12/11/2021 12h00, whereafter no more registrations will be accepted. Clarification will be issued as received to all registered parties. Last request for clarifications will be 19/11/2021 12h00
All registered parties will receive the respective documentation by not later than 12/11/2021 17h00.

9. SUBMISSIONS
Proposals in sealed envelopes should be clearly marked: **Expression of Interest:**
RTC02/01/09/2021/6th SCM
Construction of a Solar Power Plant
Rehoboth
And addressed to: Mrs. Shirley Bruwer
Head of Procurement
Rehoboth Town Council
Tel: 062- 521 800

NB: Proposals MUST be deposited in the Council's Tender Box.

10. Closing Date / Time
Friday 26 / 11/2021 at 12h00

Tel: +264 (67) 314 100
Fax: +264 (67) 304 701
