

NATIONAL APEX CHAMBER

Conference on **Renewable Energy** *Challenges and Way Forward*

7th February, 2019 at 9:45 a.m
PHD House, New Delhi

Chief Event Sponsor

Event Sponsor

India is set to become one of the largest renewable energy hub globally in the coming years. The country is progressively becoming a most favoured destination for investment in renewable by targeting the installation of 175GW of renewable energy capacity. This will be the foundation of the new economy of the new century. The renewable energy sector in India is now the leader in creating a new revolution in solar energy with target of 100GW by 2022. This emphasizes India's commitment to the Paris Agreement and its strong will to push for solar energy generation in countries with huge potential.

Solar energy serves as a clean and affordable form of the renewable energy sector that would help India cut down its carbon emissions as well as reduce its dependency on the import of crude oil (at least to some extent). Although India has committed to going solar, challenges still remain. Infrastructure development, technological know-how, attracting foreign investment, procuring raw materials for solar panels and a lack of access to existing storage technologies remain huge obstacles. Despite these concerns, India has taken an initiative to make solar & wind energy the focus of clean energy.

The government schemes and policies have contributed in transitioning from fossil fuels to clean and green energy in India, and with solar tariffs falling to a record low, new government schemes to encourage rooftop installation has put India on the map in the renewable energy sector. Being a part of this renewable energy sector has the potential to create jobs, reduce poverty and propel India into the ways of the future.

On this backdrop, PHD Chamber is organizing a **Conference on “Renewable Energy- Challenges and Way Forward” on 7th February, 2019 at 9:45 a.m. at PHD House, New Delhi.**

Best Regards,

Dr. Ranjeet Mehta
Principal Director

Conference Objectives:

- Promote the exchange of ideas and to help participants stay updated on industry developments, technology, market and policy trends
- Bring together Government decision makers, industry representatives, investors and customers on one platform to address critical questions about the growth and widespread adoption of renewable energy.
- Discussion on key issues related to renewable energy segments including solar (PV and thermal), Wind, Biomass and Hydro.
- Provide a unique business platform for investor and buyers across renewable energy industry segments.

Target Audience:

- Leading national & international solar companies
- Policy makers and Administrators
- State Level Government Agencies
- Power generation and energy companies
- Solar and Wind Developers and Planners
- Hydro Power Generators
- Transmission Utilities
- Solar & Wind Energy Service Providers
- EPC Contractors
- Energy Consultants
- Equipment Manufacturers
- Technology Providers
- Environmental Consultants
- Academic Institutions and Research agencies
- Start-ups
- Associations
- Venture Capitalists
- Multilateral agencies
- Banks and Financial Institutions

Key Elements:

Ground mounted solar	Rooftop Solar
Battery Storage	Solar Cities
Floating Solar	Solar Street lighting
Changing Business Models In The Wind Industry	Competitive Bidding on Wind Energy Sector: Current Scenario & Way Ahead
Repowering, Energy Storage & Wind Solar Hybrid Projects	Financing The Solar& Wind Energy Growth In India
Forecasting, Scheduling & Grid Integration	The Future Of Solar, Wind Industry& Hydro: The New Indian Policy Roadmap

Snapshots of Past Events

Registration Form

I / We shall participate in the above mentioned Event

Name(s) & Designation(s)

1. _____ 2. _____

Organization: _____

Company Address: _____ GST No: _____

Tel: _____ Fax: _____

E-mail: _____ / _____

DD / Cheque No. _____ dated _____ for Rs. _____
drawn on _____ in favour of "PHD Chamber of Commerce and Industry"
payable at New Delhi towards participation fee is enclosed.

**SPONSORSHIP & EXHIBITION
OPPORTUNITIES ARE ALSO AVAILABLE**

Registration Fee

INR 5000/- Inclusive of 18% GST per delegate

Payment

- Please send Cheque/Draft in favour of "PHD Chamber of Commerce & Industry", payable at New Delhi
- Please send wire transfer payments to:

Please send wire transfer payments to:

Beneficiary - PHD Chamber of Commerce & Industry
Bank Name - Bank of India
Bank Address-7, Panchsheel Shopping Centre, New Delhi-110016

Bank Account No. : - 602220100010035
Swift Code: - BKIDINBBNPL
IFSC Code:- BKID0006022

PAYMENT POLICY

- Full payment must be received prior to the Conference.
- Registration fee includes all documentation, lunch, tea/coffee and the Conference.
- Payments for "discounted" registrations should come in before the last date of specified discount.
- Registration Fee is non refundable. However, changes in nominations are acceptable and prior registration is mandatory.
- The conference is a non residential programme
