

Hon'ble President of India Inaugurated Centre of Excellence for Genetic Blood Disorders at Prathima Institute in Karimnagar

The Hon'ble President of India, Shri Ram Nath Kovind, inaugurated the Centre of Excellence for Sickle Cell Anaemia, Thalassemia and Other Genetic Blood Disorders at the Prathima Institute of Medical Sciences in Karimnagar, Telangana.

The country has made significant strides in the field of healthcare. However, much progress needs to be made in evolving a holistic healthcare system, one which is uniformly affordable and accessible. Strengthening of public hospitals, municipal hospitals, charitable hospitals and primary health and wellness clinics is required. An awareness needs to be spread on healthcare issues especially in rural areas and among disadvantaged sections.
