In India, changes are taking place which are setting the foundation for the next stage of corporate growth. Judicial Forums play a very important role in the corporate structure of our country. There is perceptible trend around the world towards simplification or rationalization of legislations governing them. With time, it is being ensured that dispensation of justice and disposal of business matters by the court and authorities are in tune with the speed of business which is being transacted towards "ease of doing business".

NCLT and NCLAT have been the active instruments and institutions for appeals under IBC, Companies Act and various other matters. The merits of establishing NCLT and NCLAT include exclusive jurisdiction, decrease in the multiplicity of litigation before courts and the time efficiency with which the cases are heard and decisions passed. Capacity building of Professionals in the area of legal, procedural and application oriented aspects of corporate restructuring, rescue and insolvency is essential under the regulatory framework.

In order to provide knowledge and skill sets in management and administration of cases before NCLT & NCLAT, the Corporate Affairs Committee of PHDCCI is organising **Conference on NCLT & NCLAT: Convergence of Corporate Jurisdiction on Tuesday, 25<sup>th</sup> February 2020 from 2:15 PM to 6:45 PM (followed by Hi-Tea) at PHD House, New Delhi. *The detailed Programme is appended below.***
