## The Essential Constituents

Associate Partner

In recent years, the issue of corporate governance in India has been a hot topic of discussion. As India Inc. has grown by leaps and bounds, corporate India's attention has evolved from simple 'management' to 'governance' & now 'effective governance'. Given the unique challenges that India Inc. faces due to the predominance of family run businesses, there is a pressing need to move from the 'Raja' and 'Prajā' model of governance to the 'Custodian' model of governance. Higher the level of corporate governance, stronger is company in the eyes of stakeholders. When it comes to investment, investors seek to find the companies with stronger corporate governance in them.

Keeping this in context, the Corporate Affairs Committee of the Chamber is organizing an **Interactive Discussion on Good Corporate Governance: The Essential Constituents on 6th March, 2019 at PHD House, 4/2 Siri Institutional Area, August Kranti Marg, New Delhi – 110 016.**
