In today's world, we face challenges from several fronts. We have technology advancements like never before throwing up both disruption and greater risks at one hand and endless opportunities for innovation and increased productivity on the other. Again, as governance standard tighten and accountability increases manifold, there is need for greater ethical resilience by all stakeholders. Similarly, in this complex, VUCA (Volatility, Uncertainty, Complexity and Ambiguity) environment, management at all levels are seeking better fraud risk mitigation. Interestingly, all these aspects are integrated for Those Charged With Governance (TCWG).

On this backdrop, Risk Compliance & Governance (RCG) Committee of PHDCCI is organising half day **Seminar on Challenges of Today's Corporate: Focus on Ethics, Technology & Fraud Prevention on Thursday, 8th August, 2019 from 1:00 PM to 6:00 PM (preceded by Lunch) at PHD House, New Delhi.** *The detailed Programme is appended below.*
