ABOUT THE EXHIBITION

After the great success of previous editions, Nepal Chamber of Commerce is glad to present the 5th edition of its premier consumer & trade event NEPAL CHAMBER EXPO 2020. Nepal Chamber Expo is conceptualized with the objectives to provide a platform for awareness, perception and positioning of the business and to create a hub for new connections and networking. The Expo will be centered to introduce latest and quality products in the market to cater to the varied consumer needs and demands. Nepal Chamber Expo 2020 aims to create a favorable environment for the promotion of local business among the international community as well as create a genuine trade base for the international exhibitors to explore their business possibilities with extended promotion in Nepal. The Expo welcomes organizations from cross-section of business areas such as manufacturing, trading & service industries. The emphasis will be on providing the exhibiting organizations with every possible support and opportunities to improve, evolve & expand their business in the long run.

OBJECTIVES OF EXHIBITION

- To provide a platform for awareness, perception and positioning.
- To provide opportunity to different stakeholders for the business sector for creating new business avenues & consumer friendly trade practices.
- To introduce learning and sharing of knowledge on new trends in the industry.
- To foster a better understanding of the importance of business exhibitions in Nepal.
- To provide an overview of the Nepalese consumer market, trade and industrial development.
- To create awareness and to encourage people to buy and use quality products and services.
- To promote national trade and industry among the international community.
- To offer an opportunity to the international exhibitors to explore the Nepalese market and current business trends.
- To develop high quality hands-on experiences that could stimulate and encourage more exhibitors from diverse areas to participate.

Exclusive Industry Partner from India- PHD Chamber of Commerce and Industry (PHDCCI)

PHD Chamber of Commerce and Industry (PHDCCI) established in 1905, is a proactive National Apex Chamber working at the grass-root level with strong national and international linkages. Through its research based advocacy role it aims to positively impact the economic growth and development of the nation. It acts as a catalyst in the promotion of industry, trade and entrepreneurship.

PHDCCI international office is located at Bahrain for 6 GCC countries, with 1, 30,000 companies as its members solely focused for the development of the small and medium businesses. PHDCCI has co-opted National and International Industry Associations and Organizations through over 100 MoUs signed between the parties.

EXPO HIGHLIGHTS

Homeland to the world's highest mountain; Mt. Everest, Nepal, has uncountable other sites to glorify on. Popular for its mountaineering destinations, trekking paradises; this country holds adventure in almost every of its nooks and corner.

Nepal merely holds a combination of numerous diversified world heritage sites, natural heritage sites and cultural heritage sites. Blessed with the natural beauty, Nepal has been labeled as 'the paradise in earth' by many.

Pleasure to your soul, mind, and heart, visit Nepal this 2020, for an economic yet classic trip. #VisitNepal2020.

As an initiation to uplift the industrial Trading sectors, Nepal Chamber of Commerce is up with its 5th edition of Nepal Chamber Expo 2020. The exhibition will hold all the possible sectors of commerce under one roof, providing a mega platform for the participants to exhibit their products and services.

In order to help balance the economic disorders and imbalance in trade, this year the event will be focusing on:

- Production Machinery Equipments showcase
- Massive advertisement to reach out every possible audience
- Providing a mega platform for international collaboration
- To encourage and enhance the national products
- To provide a first hand market on product briefing
- Creating an information hub of ideas and knowledge exchange
