

11th REGIONAL QUALITY CONCLAVE ON Advance Manufacturing with Quality, Innovation & Technology Interventions

20th December 2019 | Radisson Blu Hotel, Rudrapur (Uttarakhand)

It gives us great pleasure to inform that Quality Council of India (QCI) and PHD Chamber of Commerce and Industry (PHDCCI) have joined together in organizing Regional Quality Conclave on the theme **“Advance Manufacturing With Quality, Innovation & Technology Interventions”** on **20th December 2019 at Radisson Blu Hotel, Rudrapur at 9:00 a.m.** The objective of this Conclave is to create awareness about significance of quality culture in businesses, deliberate on how organizations could continuously improve and innovate and share the technological advancement like Industry 4.0 and predictive maintenance.

The importance of advanced manufacturing technology (AMT) has been increasing because of their competitive advantages. Adoption of AMT involves major investment, and large-scale issues are involved in the selection and justification of these technologies. Researchers have identified a considerable number of issues and sub attributes for implementing various projects.

Some of the best minds engaged in Creating a Quality culture, Advance manufacturing, Industry 4.0 and Leadership and Engagement Strategies will congregate at the conclave to lead the discussion and evolve the next steps for the next engineering revolution in India.

The Conclave expects to receive 150 plus participants from top organizations, mainly from Uttarakhand region.

WHY ATTEND?

- Understand the Significance of Quality Culture for competitiveness
- Steps in Creating a Quality and Innovation culture in your organisation
- Role of Digital transformation in Advance Manufacturing
