The Government has re-promulgated an Ordinance to amend the companies law that seeks to plug critical gaps in corporate governance and compliance framework as well as improve the ease of doing business in the country. Now, no more leniencies will be provided as the Government will take strict action against any company which does not take the compliances seriously. Also the non-compliance of any of the amendments may result in huge loss in terms of cost and reputation.

The recent amendments in the Companies Act and the Insider Trading Regulations have far reaching implications. To understand the fine points of law, the Corporate Affairs Committee of PHD Chamber is organizing a **Workshop on Recent Key Amendments: The Companies Act & The SEBI Insider Trading Regulations on Wednesday, 3rd April, 2019 from 1:30 PM to 6:00 PM (followed by Hi-Tea)** at PHD House, New Delhi.
