SCHOOL FEEDING FREE-FOR-ALL

04 MARCH 2022

The Central Procurement Board of Namibia awarded two tenders for supplies to the Namibian School Feeding Programme worth N\$371-m in January – almost one year after they closed in February 2021.

The successful bidders for the two tenders listed on the CPB's website consists of 13 companies, most of whom are general traders and 'investment' entities – not caterers or food suppliers.

The CPB had issued both tenders on behalf of the Ministry of Education, Arts & Culture.

Maize meal awarded to five companies for N\$188-m - below the N\$286-m estimate

Tender G/ONB/CPBN-03/2020 for the provision of maize meal blending, packaging and transportation to regional distributors' warehouses closed on 15-Feb-21, after being extended from 23-Nov-20 to 07-Dec-20 as well as 18-Jan-21.

Twenty-two offers ranging from N\$168-m to N\$328-m over three years were published in *Bulletin* 1391. Only seven of the 22 bidders had participated in the earlier 2013 and 2016 tenders, with many of the remaining 15 operating as general traders.

The awards posted by the CPB on its website on 12-Jan-22 were to five tenders on lots offered over three years:

- * Aishaa Investment - Lots 7 (Kunene), 9 (Omaheke) & 14 (Zambezi) = N\$26,140,749.14
- * Alanson Trading Enterprises cc - Lots 2 (Erongo), 6 (Khomas) & 13 (Otjozondjupa) = N\$11,354,630.77

* It turns out that you do not have to be a food supplier or caterer to provide food for the School Feeding Programme, after 13 mostly 'trading' & 'investment' entities are awarded three-year contracts worth N\$371-m

* Sash Trading & Earthworks landed four regions under two tenders awarded a year after they eventually closed

- * Kaptau Consumables Supplies - Lots 8 (Ohangwena) & 10 (Omusati) = N\$6,921,850.86
- * New Success Investment - Lots 1 (//Kharas), 3 (Hardap), 4 (Kavango East) & 12 (Oshikoto) = N\$48,873,318.73 total
- * Sash Trading & Earthworks - Lots 5 (Kavango West) & 11 (Oshana Region) = N\$34,868,549.52

The total prices for all 14 regions add up to N\$188,159,098.80 including VAT - way below the cost estimate of N\$286,391,721.

The standstill period for objections ended on 19-Jan-22.

The unsuccessful bidders are:

- * Agrimill Commercial; August 26 Logistics
- * Block 9 Commercial
- * De Grande Investment; Degree Power Investment
- * El Mondo Trading
- * Halutusane Investments
- * MD General Dealer Services; Muthakaz Investment

- * Nutrifood / Multiplex Solution JV
- * Okapandi Trading Enterprises; Omhalanga Mills; Ouyamba Investment
- * Pena Manufacturer
- * Rachida Investments
- * Stream Two Properties
- * Walvis Bay Ship Chandler / Namibia General Supplies JV.

Protein, sugar and salt awarded to eight companies for N\$183-m - well above the N\$102-m estimate

Tender G/ONB/CPBN-04/2020 for the provision of protein, sugar, salt and transportation to blenders warehouses closed on 16-Feb-21.

Thirty-two offers from N\$120-m to N\$290-m over three years were published in *Bulletin* 1395. Only five of the 32 bidders had participated in the earlier 2013 tender, with many of the remaining 27 operating as general traders.

The closing date was extended from 23-Nov-20 to 07-Dec-20 as well as 18-Jan-21.

The CPB posted the eight successful bidders on its website on 24-Jan-22, with regions awarded and prices for the three-year period:

- * B&H Maintenance Services - Lot 12 (Oshikoto) = N\$22,942,445.98

- * Bonsec Investment - Lots 7 (Kunene) & 13 (Otjozondjupa) = N\$16,656,310.55
- * Magentize Investment - Lots 1 (//Kharas) & 3 (Erongo) = N\$7,603,356.50
- * Ndakalimwe Investment - Lots 14 (Zambezi) & 9 (Omaheke) = N\$17,720,016.36
- * Ouyamba Investment - Lots 6 (Khomas) & 3 (Hardap) = N\$9,414,141.48
- * Padana Investment - Lots 5 (Kavango West) & 11 (Oshana) = N\$32,129,463.67
- * Sash Trading & Earthworks - Lots 8 (Ohangwena) & 10 (Omusati) = N\$55,315,306.69
- * Tafina Trading - Lot 4 (Kavango East) = N\$21,195,655.65.

The total prices for all 14 regions add up to N\$182,976,698.70 including VAT - much more than the cost estimate of N\$102,192,025.74.

The standstill period for objections ended on 31-Jan-22.

The unsuccessful bidders are:

- * Aishaa Investment; August 26 Logistics; Atlantic Catering Solution
- * Betonstein Construction; Beva Investment; Bima Dune Trading; Block 9 Commercial
- * Chakula Foods
- * De Grande Investment; Degree Power Investment; Deme Investment
- * Efundja Caterers; El Mondo Trading
- * Future Fresh Supermarket
- * James & Young Trading Enterprises
- * Halutusane Investments
- * Makuumba Enterprise; Muthakaz Investment
- * Okapandi Trading Enterprises; Omhalanga Meals [Mills]
- * Pena Manufacturer

GRN DOMESTIC DEBT EXPANDS 25% TO N\$93.8-B

04 MARCH 2022

Namibia's domestic government debt rose to N\$93.8-b during February, according to the Bank of Namibia's latest monthly report – a 24.9% increase

year-on-year and 1.3% from the previous month.

The increase was reflected in both Internal Registered Stock (IRS) and Treasury Bills, which rose by 1.6% and

0.8% during the month to N\$61.6-b and N\$32.1-b, respectively.

The near-25% annual increase in domestic reflects 29.6% increase in the issuance of bonds and 16.9% in TBs.

Domestic government debt as a percentage of GDP increased to 50.7% - by

0.7 percentage point month-on-month and 8.2 percentage points over the past year, reflecting increases in the ratios of both IRSs and TBs to GDP of 6.4 percentage points and 1.8 percentage points, respectively.

CHINESE FIRM LANDS N\$103-M KEETMANS VTC CONTRACT

04 MARCH 2022

The Ministry of Education, Arts & Culture has confirmed the award of a tender for the construction of the new Vocational Training Centre in Keetmanshoop to a Chinese firm for N\$103-m.

The award notice was posted on the MEAC website on 06-Jan-22 but was dated 30-Nov-21.

Tender W/ICB/MoEAC/AfDB/010-01/2021/22 for the construction of the new Vocational Training Centre in Keetmanshoop, Phase 1B, in the //Kharas Region was awarded to Shanxi Construction & Investment Group Co Ltd for N\$103,029,012.43, in terms of Section 55 of the Public Procurement Act, with the stand-still period for objections ending 08-Dec-21.

Nampa reported on 15-Jan-22 that the //Kharas Governor, Aletha Frederick, had handed over the site, after the earthworks were completed in December 2018.

AfDB procurement methods for ETQIP projects

The contract is funded through a loan from the African Development Bank through MEAC's Education & Training Quality Improvement Project (ETQIP).

N\$1.2-b of the N\$1.5-b ETQIP programme is sourced through an AfDB loan, with the balance provided by the Namibian government.

Although the tender was issued by MEAC, bidding was done as per the African Development Bank's AfDB Open Competitive Bidding (International) procurement method, as specified in the Bank's Procurement Framework, Bank Procurement Methods and Procedures.

The Invitation for Bids followed a General Procurement Notice for the ETQIP that appeared in local newspapers on 27-Apr-18. The MEAC, on behalf of the Namibian Government, has received a loan (no. 2000200001952) from the AfDB towards the cost of ETQIP and part of the proceeds of this loan will be used for eligible payments for the rehabilitation/upgrade of schools and hostels, expansion of technical and construction of vocational education and training centres.

The borrower (GRN) must process payments using the "Direct Payment Disbursement method", as defined in the AfDB's 'Disbursement Guidelines and Procedures for Investment Project Financing'.

Fifteen offers from N\$98.85-m to N\$117-m involved four Namibian and eleven Chinese contractors

- * With no preference for local builders, four Namibian firms had no chance against eleven Chinese contractors for the project, co-financed under the AfDB's N\$1.2-b ETQIP loan
- * Shanxi Construction & Investment has landed a string of multi-million contracts since its arrival in Namibia in 2019

Fifteen offers were received when the tender closed on 17-Aug-21. Of these, eleven contenders were Chinese companies - one in JV with a Namibian - while four Namibians participated. There was no margin of preference for local bidders.

All bids had to be accompanied by a Bid Security of N\$3,000,000.

The MEAC award notice gives no explanation why the 7th most expensive offer was successful or why Shanxi's price increased by N\$65,000 for the award.

Total prices in ascending order:

- * Yellow River Co Ltd = N\$98,845,638.51
- * Unik Construction Engineering = N\$98,857,114.56
- * Jiangsu Zhengtai Construction Group Namibia = N\$99,936,653.32
- * Qingjian Group Co Ltd = N\$100,345,795.48
- * ID Building Supplies = N\$100,580,265
- * Art Construction = N\$102,606,867.67
- * Shanxi Construction & Investment Group Co Ltd = N\$102,964,577.11 - but announced as N\$103,029,012.43 for the award
- * China Jiangxi International Namibia = N\$103,641,982.91
- * Sanli Construction / John Namusheshe JV = N\$104,977,175.56
- * China State Construction Engineering Corporation = N\$106,128,161.50
- * James & Young Trading / ETN Technical Services JV = N\$106,129,339.12
- * August Twenty Six Construction = N\$106,191,115
- * AVIC International Project Engineering Company = N\$107,269,571.84
- * New Era Investment = N\$109,669,640.43
- * Nexus Building Contractors = N\$117,025,222.32.

The Keetmanshoop VTC project

Phase 1B of the project consists of:

- * construction of four new small workshops, including ablution facilities, for various training activities;
- * construction of a new Centre Admin Building;
- * construction of a new Classroom Block consisting of two classrooms, one female locker room and one male locker room, both with showers and ablutions;
- * construction of a new three-storey students residence;
- * external works comprising of interlocking of roads and parking areas and paving of walkways.

The construction period is 18 months (details from *Bulletin 1404*).

According to a report in *The Namibian* of 18-Jun-18, the VTC got off the ground when the Namibia Training Authority purchased 30,000m² land from the Keetmanshoop Town Council for N\$4.5-m.

At the time, it was anticipated that construction of the bulk services, awarded to NCCS Holding Investments (Pty) Ltd, would be completed during the course of that year.

Two hostels awarded to Shanxi in 2019 for N\$137.8-m

Shanxi has been bidding in Namibia since 2019 for large MEAC, Roads Authority, NamPower and NHE contracts, according to *Tender Bulletin* records.

In December 2019, two Namibian school hostel upgrading contracts funded through the AfDB's ETQIP loan were awarded to Shanxi Construction Investment Group Co Ltd, which at the time seemed to be based in Zambia:

- * Tender W/ICB/MOEC/AfDB/010-04/2019 for the renovation and construction of new hostels, kitchen, dining hall and service blocks at Ernst Meyer Primary School in the Omaheke Region closed 29-Aug-19 with 14 offers, of which Shanxi Construction was the 10th highest bidder with N\$61,506,404.60 [announced as N\$61,583,676.53 at the tender opening];
- * Tender W/ICB/MOEC/AfDB/010-05/2019 for emergency renovation and repairs to dilapidated hostels at Epukiro Post 3 Junior Secondary School, also in the Omaheke Region, closed 29-Aug-19 with 17 offers, of which Shanxi Construction Investment Group Co. was again the 10th highest bidder with N\$67,321,146.20 [announced as N\$67,200,888.31 at the tender opening].

Executive Director of Namibia's Ministry of Education, Arts & Culture, Sanet Steenkamp informed tenderers on 05-Dec-19, that two contracts for upgrading of hostel infrastructure in the Omaheke Region had been awarded to Shanxi Construction Investment Group Co Ltd.

The MEAC gave no reasons why Shanxi Construction was successful or why others - whose bids were much more cost-effective - were rejected.

The *Tender Bulletin* was made aware that some Namibian companies who competed in these tenders did submit objections to the awards (*Bulletin 1330*).

Shanxi's Green Valley in Katima Mulilo

According to a SEETAO NEWS report on 26-Feb-20, Shanxi Construction Investment has been actively exploring the Namibian property market since the end of 2019, after which it has won successive contracts.

"In the critical period of integrity prevention and control", Shanxi Construction Investment just won another bid in Namibian market, the website stated.

At the time, the Namibian branch of Shanxi Construction Investment Guohe Company won the contract for the first phase of the Green Valley real estate development in Katima Mulilo "Zambia" [sic], Namibia, for a total of 155 housing projects [presumably units] with a total construction area of about 16,000m² and a planned construction period of one year.

According to SEETAO NEWS, this real estate project was the first PPP project in the Namibian market. The "owner" is Kayunyi Investment Company. The land is transferred by the local government and the developer finances the construction.

At the end of 2019, Shanxi Jiantou Guohe Co. Ltd entered the Namibian national market for the first time, winning bids for the renovation and construction of two new schools for the Ministry of Education, "and successfully held the commencement ceremony in January 2020".

In true *Chinlish*, the report continues that: "At present, the epidemic prevention work of the new coronavirus is severe, and some employees of Shanxi Construction Investment are still unable to work normally, and the operation of the project has encountered certain difficulties. "However, the employees who have already arrived on the job actively apply for overtime and actively take responsibility to ensure the project to be carried out normally.

"Shanxi Construction Investment is also arranging personnel to return to work in a timely manner in accordance with the resumption requirements of the Party Central Committee" - Editor / Li Dan - Beijing SEETAO Culture Media.

According to another SEETAO report on 25-Jan-22, pre-construction work on the Katima Mulilo project is to commence in July after the team of Shanxi Construction Investment signed the housing contract with Kayunyi Investment. The construction period is now estimated at 22 months.

The Bank of Namibia, as agent for the Government for the issue and management of Government Debt Securities announces the results for the 273-day Treasury Bills auction held 24 February 2022:

DESCRIPTION: Request for Expression of Interest: Solar installers to participate in the Result-Based Financing (RFB) Programme, Phase 2 for the productive use of energy in rural areas. GIZ - Green People's Energy (GPE) Project in Namibia. The initiative 'Green People's Energy for Africa' is part of the 'Marshall Plan with Africa' and aims to improve the conditions in Namibia with regard to decentralised renewable energy supply in rural areas. Particular attention is paid to the promotion of local value creation through the productive use of energy in commercial enterprises. The RFB Programme provides market-based financial support for selected service providers who offer solar PV products and services for commercial enterprises in rural Namibia. Furthermore, the installers are incentivised to experiment with less capital-intensive business models and raise awareness on the basic benefits and limitations of solar PV systems in rural commercial enterprises. This EOI is restricted to local firms/individual consultants only. Interested companies must submit their proposals in accordance with the requirements set out in the EOI to the GIZ Procurement Unit office.

DESCRIPTION: Tender invitation: Provision of technical support for the development of curriculum, training materials and implementation of Training-of-Trainers (ToT) Programme on Horticulture, Back-stopping Services and Practical Trainings on Climate-adapted Vegetable Gardening. GIZ - Farming for Resilience (F4R) Project. The F4R Project has been commissioned by the Federal Ministry for Economic Cooperation & Development (BMZ) and is jointly implemented by the Namibian Ministry of Agriculture, Water & Land Reform and GIZ with the objective to strengthen the resilience of the agri-food sector in general and the adaptation capacity to climate change among small-holder farmers in communal areas in particular. In order to effectively address the wide array of interdependent challenges and vulnerabilities emanating from climate change, the F4R Project works on policy, institutional and target group levels and deploys a holistic approach comprising of four main intervention areas: (1) seed production and multiplication; (2) climate-adapted production; (3) agri-business and marketing; (4) food and nutrition security. Through the diversification of agricultural production systems, climate-sensitive cultivation methods and sustainable water management, innovative agri-business and marketing models, as well as improved nutritional awareness, F4R seeks to enhance the adaptation capacity to the effects to climate change by fostering climate, economic and physical resilience of actors along the value chain of the agri-food sector. A key strategy of F4R to strengthen resilience of farming communities aims at increasing diversified local production with a particular focus on vegetables and fruits, with the objective to create additional income and employment, and to improve accessibility and affordability of healthy food to sustainably alleviate malnutrition and food insecurity. In this context, F4R seeks the services of a well-qualified technical expert / consultant company to provide technical support to develop the curriculum and content for the roll-out of a comprehensive ToT programme on horticulture. The SCOPE of the assignment includes: (i) develop the curriculum and content for the ToT programme, covering all relevant aspects of climate-adapted farming techniques for sustainable vegetable and fruit production, including skills assessment and monitoring and evaluation tools; (ii) support the roll-out of the ToT and provide back-stopping support to trained trainers; (iii) provide practical training and support to the establishment of school and community gardens in selected project intervention areas and assist in the up-scaling of pilot initiatives; (iv) develop training materials for the Farmer Business School training format on horticulture. This tender is open to local firms/individual consultants only. SUBMIT: Bids must be hand-delivered to the Procurement Unit at the GIZ Office Namibia.

DESCRIPTION: Tender - Request for Quotations: Consultant to lead the implementation of recommendations of the Labour Market Assessment (LMA). BACKGROUND: The Determined, Resilient, Empowered, AIDS-free, Mentored and Safe (DREAMS) project is funded by PEPFAR (President's Emergency Plan for AIDS Relief) through United States Agency for International Development (USAID) and implemented by PHN in partnership with Project Hope US, Lifeline/Childline, IntraHealth International, Star for Life and Namibia University of Science & Technology. PHN aims to avert new HIV infections among AGYW aged 10-24 and is being implemented in Katima, Omuthiya, Onandjokwe, Tsumeb and Windhoek districts. AGYW are the primary target population, with male sexual partners and parents/caregivers as secondary. DREAM provides a comprehensive package of core interventions to address key factors that make AGYW particularly vulnerable to HIV. These include structural factors such as GBV, exclusion from economic opportunities and limited access to critical health services. DREAMS layers multiple interventions at once so that AGYW are surrounded with critical support to keep them safe from HIV and other risks. Economic Strengthening (ES) forms a significant part of this support and includes training all AGYW enrolled in financial literacy, linking eligible out-of-school AGYW to vocational skills training and employment opportunities and supporting those who are inclined towards entrepreneurship with business start-up kits. However, skills development and training should be guided by LMA, focus on growing industries and traditionally male-dominated sectors. Consequently, the DREAMS project collaborated with a research company and concluded a LMA in all its implementation districts towards the end of 2021. PHN/DREAMS seeks consultancy service from qualified applicants to lead the implementation of recommendations from the LMA ad part of PHN intensive Economic Strengthening (ES) approach, for AGYW enrolled in the DREAMS project. SUBMIT applications as per the guidance in the SOW and quotations to nambiaproject@projecthope.org as pdf documents, specifying the RFQ number in the subject line.

PROPERTY DEVELOPMENT

REFERENCE: QKR Navachab 1435; **CLOSING:** 09-Mar-22 time not stated
DESCRIPTION: Expression of interest: Provision of houses for long-term rent in Karibib.
INTRODUCTION & OVERVIEW: QKR Namibia Navachab Gold Mine near Karibib has a requirement for the provision of houses for long-term lease. Suitable developers are invited to submit EOIs for the provision of 4- and 3-bedroom houses in Karibib proper and Usab location. The developer should have land available in Karibib and be able to build the houses with own resources, after which the units will be made available to the mine on a long-term lease. The mine has limited unserviced erven available for sale to prospective developers for the purpose of building houses for the mine to rent. **BASIC SPECIFICATIONS:** 4- and 3-bedroom standard brick houses; corrugated roof sheeting; standard built-in cupboards and equipped kitchen; tiled floors; brick wall around the perimeter; the 4-bedroom houses should have 2 fully enclosed garages with interlocked driveways and the 3-bedroom houses a fully enclosed garage and a shade net carport, both with interlocked driveways; all other fittings and finishes as per standard house specifications. Qualifying developers will be contacted for further consultations. A key criterion for selecting qualifying developers will be costs and the timelines for the provision of the houses. Should the land availability be an issue, please state this fact. Regional developers will be given preference. **SUBMIT:** Interested parties should submit an EOI or draft proposals in confidence delivered to the mine or by email to marvin.katjindee@navac.com.na. The company reserves the right to select suitable developers according to its own criteria and Tender Board procedure. **DOCUMENTATION:** Not stated
