2022

STARTUP INDIA EXPO & CONCLAVE

22nd - 23rd APRIL 2022

LPS Auditorium, PHD House, New Delhi

**RISE OF THE
STARTUP
ECOSYSTEM
IN INDIA**

Sponsor

Government of India has introduced various initiatives to boost the Startup ecosystem over the past few years. These include the flagship Startup India Initiative, Atal Innovation Mission (AIM), Fund of Funds by SIDBI, The Biotechnology Ignition Grant (BIG) Scheme, Tax benefits and Simplification of the Process of Registering Startups and many others. This will reinvigorate the Startup ecosystem and augment the investor confidence. In the current day and age, Women Entrepreneurs represent the fastest-growing category worldwide and women are making a significant contribution to entrepreneurial activity and economic development. Women entrepreneurs have an important impact on the economy, both by the number of Startups that they can create and further by the fact that several of them are creating successful unicorns.

The PHD Startup India 2022 - Expo & Conclave is structured for a 360-degree understanding of Startup ecosystem with a view to derive actionable recommendations for consolidating gains made during the journey of the Startup India initiative and building further upon these foundations for seeking desirable objectives. The sessions are designed to bring together the best of global and experts consisting of Government Leaders, Policy Makers, Thought Leaders, Startups, Investors, Incubators, Innovators, Academic Institution, Industry Captains and others.

Agenda Points of Discussion

- The growth of the Indian startup ecosystem.
- The role of the 'Startup India Initiative' towards the journey for becoming the largest startup ecosystem in the world.
- Offerings of different State Governments for incubation and funding support
- The vision of “Aatmanirbhar Bharat” and the role of startups in achieving this goal
- The need for collaboration between various stakeholders to further improve the efficiency of the startup ecosystem in India.
- Opportunity to connect with the brightest minds to explore business growth
- New leads, research, new technology trends, brand equity across industries

Objectives

- Encouraging and inspiring youth for innovation and entrepreneurship.
- Exchange knowledge on best practices on nurturing startup ecosystems.
- Develop capacities of an entrepreneurial ecosystem.
- Mobilize global and domestic capital for investments into startups.
- Provide opportunities to startups for entering domestic (private and public) and international markets.
- Showcasing high-quality, high technology and frugal innovations from India.
- Enabling ease of doing business for startups and investors.
