Education Ministry

Shri Sanjay Aggarwal, Senior Vice President, PHD Chamber, in his presidential remarks said that the education and skill development holds a crucial place for supporting India in its journey towards being Atmanirbhar. At this juncture, the focus of the Centre and the States should be to work together to increase the public investment in Education sector to atleast reach 6% of GDP at the earliest.

He also added that as compared to other developed and developing countries, India has a unique window of opportunity for another 20-25 years called the "demographic advantage". This opportunity must be strategically perceived to achieve the Vision of Atmanirbhar Bharat.

Atmanirbhar Bharat is a historical step undertaken by the Government of India and is a continuous working process said Shri Dharmendra Pradhan at the 115th Annual Session of PMDC.

Addressing the 115th Annual Session of PMDC of Chemicals and Petrochemicals, Shri Dharmendra Pradhan, Minister in-charge of Petroleum & Natural Gas and Steel, Government of India said that Atmanirbhar Bharat is a historical step undertaken by the Government of India and is a continuous working process.

It is necessary to revive and rejuvenate India's economy on the basis of the philosophical foundation of Atmanirbhar, Shri Pradhan added. Further, he urged trade and industry stakeholders to support the Government in strengthening the five pillars of self-reliance, industry, infrastructure, Technology and Human Capital (SMEs, Skilling and Digital).

We emphasized that we all have to come together to ensure growth creation and significantly, under the leadership of the Government of India to achieve self-reliance and economic development.

Shri Pradhan said that the Ministry is making all efforts to increase the production of refined Gas, indigenous and more than 400 districts of India have already been covered through natural gas, he also mentioned that Government is going to increase the depth of pipeline in India to take the natural gas as a cleaner fuel source to increase industries, for manufacturing activities.
