Atmanirbhar Bharat is a historical step undertaken by the Government of India and is a continuous working process said Shri Dharmendra Pradhan at the 118th Annual Session of PND.

Addressing the 118th Annual Session of PND Chapter of Commerce and Industry, Shri Dharmendra Pradhan, Union Minister of Petroleum & Natural Gas and Steel, Government of India and the Minister of Shri Atmanirbhar Bharat is a historical step undertaken by the Government of India and is a continuous working process.

It is necessary to review and re-evaluate India's economy on the basis of the principles of Atmanirbhar Bharat, Shri Pradhan added. Further, he expressed his strong commitment to support the Government in strengthening the full pillar of self-reliance, industry, innovation, infrastructure, technology-driven systems, demographic and demand.

We emphasized that we will continue to be in a state of growth and development, and we will continue to be in a state of growth and development, and we will continue to be in a state of growth and development.

Shri Pradhan said that the Ministry is making all efforts to increase the production of natural gas. He also mentioned that the Government is going to increase the supply of natural gas to the natural gas in a clean, full and reliable manner, and we will continue to be in a state of growth and development.

**Shri Sanjay Aggarwal, Senior Vice President, PHD Chamber, in his presidential remarks said that the education and skill development holds a crucial place for supporting India in its journey towards being Atmanirbhar. At this juncture, the focus of the Centre and the States should be to work together to increase the public investment in Education sector to atleast reach 6% of GDP at the earliest.**

**He also added that as compared to other developed and developing countries, India has a unique window of opportunity for another 20-25 years called the "demographic advantage". This opportunity must be strategically perceived to achieve the Vision of Atmanirbhar Bharat.**

**Shri Aggarwal emphasized upon importance of digitalization and said that it will play a big role in reshaping education, access to skill development, imparting knowledge on technological advancements, among others, in the coming years.**

**As part of the session, PHD Chamber launched the Coffee Table Book to mark the completion of 115 years of PHDCCI. The Coffee Table book comprises of Chamber's achievements over the span of 115 years of existence.**

**Shri Pradeep Multani, Vice President, PHD Chamber, heartily thanked and expressed his sincere appreciation to Dr. Mahendra Nath Pandey ji, for his valuable time to join and share his valuable insights on the subject and giving us all the glimpse of the road ahead.**

**He said that education with skill development should continue with a longer term vision. He opined that realising the true potential of India's young talent and polishing it further with skill upgradation will play an effective role in making India self-Reliant.**
