## Atmanirbhar Bharat is a historical step: Shri Dharmendra Pradhan

18 November 2020 - 10:00 AM - 10:00 AM - 10:00 AM

Business News This Week - Business - Atmanirbhar Bharat is a historical step: Shri Dharmendra Pradhan

Facebook Twitter LinkedIn

Atmanirbhar Bharat is a historical step undertaken by the Government of India and is a continuous journey process said Shri Dharmendra Pradhan at the 115th Annual Session of PMCO.

Addressing the 115th Annual Session of PMCO Chapter of Commerce and Industry, Shri Dharmendra Pradhan, Minister Union Minister of Petroleum & Natural Gas and Steel, Government of India said the Atmanirbhar Bharat is a historical step undertaken by the Government of India and is a continuous evolving process.

It is necessary to revive and rejuvenate Indian economy on the basis of the philosophical foundation of Atmanirbhar, Shri Pradhan added. Further, he urged state and industry stakeholders to support the Government in strengthening the five pillars of Self-reliance, Industry, Infrastructure, Technology and System, Demography and Demand.

He emphasized that we all have to come together to ensure growth creation and self-reliance under the leadership of large set of services of the country to achieve self-reliance and economic development.

Further, Pradhan said that the Ministry is making all efforts to increase the production of natural gas. He said that the Government is going to increase the length of pipeline in India so that the natural gas is cleaner. Just continue to maintain industries for manufacturing activities.

**Shri Sanjay Aggarwal, Senior Vice President, PHD Chamber, in his presidential remarks said that the education and skill development holds a crucial place for supporting India in its journey towards being Atmanirbhar. At this juncture, the focus of the Centre and the States should be to work together to increase the public investment in Education sector to atleast reach 6% of GDP at the earliest.**

**He also added that as compared to other developed and developing countries, India has a unique window of opportunity for another 20-25 years called the "demographic advantage". This opportunity must be strategically perceived to achieve the Vision of Atmanirbhar Bharat.**

**Shri Aggarwal emphasized upon importance of digitalization and said that it will play a big role in reshaping education, access to skill development, imparting knowledge on technological advancements, among others, in the coming years.**

**As part of the session, PHD Chamber launched the Coffee Table Book to mark the completion of 115 years of PHDCCI. The Coffee Table book comprises of Chamber's achievements over the span of 115 years of existence.**

**Shri Pradeep Multani, Vice President, PHD Chamber, heartily thanked and expressed his sincere appreciation to Dr. Mahendra Nath Pandey Ji, for his valuable time to join and share his valuable insights on the subject and giving us all the glimpse of the road ahead.**

**He said that education with skill development should continue with a longer term vision. He opined that realising the true potential of India's young talent and polishing it further with skill upgradation will play an effective role in making India self-Reliant.**

FROM SEED TO FEED**

AN OVERVIEW OF OUR RIGOROUS SEED TO FEED PROCESS:

Seed to Feed is more than just a catchy phrase. It's our commitment to ensuring the highest quality, safety and effectiveness of all Herbalife® products. While the process is far more extensive, Seed to Feed is founded on three main standards:

- CARE AT EVERY STAGE**  
We are invested in new discoveries, responsible farming and advanced production methods to craft the best products possible. Our team consists of leading nutrition and health experts from around the world.
- CARE AT EVERY STAGE**  
We go to great lengths to ensure Herbalife® products meet or exceed a variety of industry standards in quality. You can be confident in the purity and effectiveness of our individual ingredients, as well as the integrity of our processes.
- NUTRITION YOU CAN TRUST**  
Using advanced technology, we carefully monitor the environment where our products are stored – ensuring they are just as pure and powerful when you receive them as when they were first developed.
