1. Economic Developments

- 1.1 Three important road connectivity projects recommended by Network Planning Group (NPG)-** Network Planning Group (NPG) constituted under the institutional framework of 'PM GatiShakti' have recommended 3 important road connectivity projects. These are Construction of Four Lane Highway from Gazipur - Ballia - UP/Bihar State Border, Improvement and Up-gradation of Existing Road from 2-Lane to 4-lane in Uttar Pradesh and Moradabad & Kashipur bypasses in UP, Uttarakhand.

All 3 projects are important for the improvement and upgradation of the roadways with a view of multimodality, easier commute, and land acquisition. The proposal was for a 4-lane Bypass Project (brownfield) for decongestion, and to reduce travel time. The project provides interstate connectivity between Uttar Pradesh- Uttarakhand -bypass connecting major economic centres of the region. It serves as a trade route for India – Bangladesh, and India- Bhutan – Bangladesh. It will provide connectivity to Jim Corbett National Park.

- 1.2 Rajasthan government approves Rs 100 crore additional packages for small industries -** Rajasthan Hon'ble Chief Minister Shri Ashok Gehlot has approved an additional package of Rs 100 crore for a scheme to promote small industries, which will help the government expand its coverage and smooth operation, an official statement said. In the budget 2022-23, the Hon'ble Chief Minister had proposed Rs 150 crore for the 'Mukhyamantri Laghu Protsahan Yojana' to encourage Micro, Small and Medium Enterprises (MSMEs) in the state and ensures easy access of loans to small businessmen and investors.

- 1.3 Quick OPD registrations now possible under Ayushman Bharat Digital Mission-**The National Health Authority (NHA) under its flagship scheme Ayushman Bharat Digital Mission (ABDM) is undertaking a pilot for faster OPD registration service at the new OPD block of Lady Hardinge Medical College (LHMC) & Smt. Sucheta Kriplani Hospital (SSKH) in New Delhi. This service allows old as well as new patients to simply scan a QR Code and share their demographic details like name, father name, age, gender, address, mobile number etc. with the hospital. This helps to reduce the time taken at the OPD registration counter, provides accurate data in the hospital record and, most importantly, avoid the wait in the long queues. The service is planned to be extended to other health facilities and departments soon.

- 1.4 Hon'ble Union Minister Dr Jitendra Singh announces financial support of Rs 3.29 crores to M/s Kritsnam Technologies, a Start-up Company, incubated at IIT Kanpur to develop smart water management technologies-** Hon'ble Union Minister of State (Independent Charge) Science & Technology; Minister of State (Independent Charge) Earth Sciences; MoS

PMO, Personnel, Public Grievances, Pensions, Atomic Energy and Space, Dr Jitendra Singh announced financial support of Rs. 3.29 crores to M/s Kritsnam Technologies, a Start-up Company, incubated at IIT Kanpur to develop smart water management technologies. He said the technology, initially focused on commercial users, can be a game changer in effectively monitoring & controlling the ground water exploitation across the country in future. An MoU was signed in the presence of Dr Jitendra Singh between the Technology Development Board (TDB) under Department of Science and Technology and M/s Kritsnam Technologies Private Limited, Ranchi, Jharkhand for production & commercialization of Dhaara Smart Flow Meter.

1.5 Government to Provide Diesel Subsidy to Farmers Using Tractors- The Karnataka government will be helping farmers to fight climate change. The government plans to release diesel subsidies to farmers using tractors. Karnataka Agriculture Minister Shri B.C. Patil officially inaugurated Krishi Mela at the University of Agricultural Sciences (UAS) Dharwad. During the Krishi mela, he said that the Karnataka government intends to provide farmers using tractors with diesel subsidies just as those provided to the fishermen. In order to increase their revenue, he urged farmers to use newer technologies rather than stay with age-old traditional methods of cultivation.

1.6 Kerala to set up Graphene industrial park:- Kerala will set up a Graphene industrial park to tap the opportunities of the nanomaterial as a range of vistas are opening up across multiple sectors, said Hon'ble Minister for Industry, Law and Coir, Shri P Rajeev. The Minister was speaking at an investor meeting that deliberated on a graphene policy for the State, its applications, market potential, research and development, and challenges. The investor meeting was organized by the Kerala State Industrial Development Corporation.

The Kerala Budget 2022-23 announced that a suitable ecosystem for the development of R&D institutions and industries related to graphene would be set up in the State. The India Innovation Centre for Graphene (IICG) will be developed as a centre of knowledge conducting research on the new technology. It is a project jointly implemented by the Kerala government and the Ministry of Electronics and Information Technology (MeitY) with Tata Steel Limited as an industrial partner and C-MET and Digital University as implementing agencies.

1.7 Project for Chennai Port to Maduravoyal corridor in Tamil Nadu to be completed by December 2024- Hon'ble Union Minister for Road Transport and Highways Shri Nitin Gadkari said working towards providing seamless multimodal connectivity in New India the project for Chennai Port to Maduravoyal corridor in Tamil Nadu has been developed at an estimated cost of Rs. 5800 Crore. The proposed elevated stretch of 20.5 km will be developed in 4 sections and will start inside the Chennai Port and end after the Maduravoyal interchange. The project will be completed by December 2024 & it will serve

as a dedicated freight corridor for Chennai bound port traffic & increase the handling capacity of Chennai Port by 48% and subsequently reduce the waiting time at the port by 6 hours.

1.8 Hon'ble President of India lays Foundation Stones of Multiple Projects of more than Rs.280 crore at Deendayal Port, Kandla, Gujarat- The Hon'ble President of India Smt. Droupadi Murmu, laid the foundation stone of four important Projects worth more than Rs.280 crore of Deendayal Port Authority, Kandla at Gujarat. These Projects will enhance Port Infrastructure along with boosting its Logistics performance as well as the overall Economic Growth for its entire hinterland. These projects will also improve the cargo handling capacity of the port along with further improvement in the turnaround time of the Ships and faster evacuation of the cargo.

1.9 Hon'ble Prime Minister lays foundation stone and dedicates to the nation, various healthcare facilities around Rs. 1275 crore in Civil Hospital Asarwa, Ahmedabad-The Hon'ble Prime Minister unveiled the plaque and dedicated to the nation:

1. Institute of Kidney Diseases Research Centre (IKDRC) in Manjushree Mill Campus
2. Hospital Building 1C of Gujarat Cancer Research Institute at Civil Hospital Campus, Asarva
3. Hostel at UN Mehta Hospital
4. Expansion of Gujarat Dialysis Programme with One State One Dialysis
5. Chemo Programme for Gujarat State.

This was followed by the Prime Minister laying the foundation stone of

1. New Medical College, Godhra
2. New Super Speciality Hospital of GMERS Medical College, Sola
3. Medical Girls College at Civil Hospital, Asarwa
4. Ren basera Civil Hospital, Asarw
5. 125 bed District Hospital, Bhiloda
6. 100-bed sub-district hospital, Anjar.

2. Rural Economy & Agri-Business Developments

2.1 Importer-Exporter Code Campaign on Fortified Rice in Tribal Areas in five States- In order to popularise and create awareness about the benefit of Fortified Rice specially in Tribal Areas of the country, the Department of Food and Public Distribution (DFPD) and States governments of Gujarat, Maharashtra, Chhattisgarh, Madhya Pradesh, Jharkhand, Telangana Rajasthan, Kerala organized workshops and seminars in the tribal belts and districts that have populations that are vulnerable to Thalassemia and Sickle Cell Anemia. The rice fortification ecosystem has been enhanced significantly by boarding rice millers, FRK manufacturers, industries and other stakeholders for production and supply of fortified rice to meet the target requirement. There are more than 9000 rice mills in the country which have installed blending infrastructure for production of fortified rice and their cumulative monthly production capacity is around 60 LMT which has increased by more than 4 times since last year.

2.2 Maharashtra to produce record sugar levels in new season- India's top sugar producing state of Maharashtra is set to churn out record levels for the second year in a row as farmers have expanded the growing area for the cane crop, the state government said in a statement. Higher production will weigh on local prices and may prompt New Delhi to allow sugar exports in the 2022/23 marketing year starting from Oct. 1. Indian exports could weigh on global sugar prices. Maharashtra could produce 13.8 million tonnes of sugar in the season, slightly higher than 13.7 million tonnes this year, the state government said. Mills in the state will start cane crushing from Oct. 15 and the season is likely to last for 160 days.

2.3 Government launches app to measure water level in rural wells- The Union Rural Development Ministry launched a mobile app that will enable gram rojgar sahayaks to measure the water level of selected wells twice a year - before and after the monsoon. The Jaldoot app was launched jointly by ministers of state in the Rural Development Ministry Fagga Singh Kulaste and Sadhvi Niranjana Jyoti and MoS in the Panchayati Raj Ministry Kapil Moreshwar Patil. In a statement, the ministry said an adequate number of measurement locations will be selected in every village and these will be representative of the ground water level there.

2.4 Mahatma Gandhi National Rural Employment Guarantee Scheme (MGNREGS) demand increased in the poorest states- The pandemic appears to have exacerbated rural distress in the poorest states. The share of the poorest five in the work demanded under Mahatma Gandhi National Rural Employment Guarantee Scheme — an indicator of the economic health in rural areas — has increased, while the share of the richest five has declined. If more people demand work under MGNREGS, it means fewer people have jobs or supplemental income.

A rise in the demand for work under the scheme shows rising economic distress. Work demanded under the rural employment scheme increased for both the richest and poorest states during the pandemic, but the poorest five -- Odisha, Assam, Jharkhand, Uttar Pradesh and Bihar -- showed an increase of 85.5 per cent year-on-year in 2020-21, which is more than twice the rate of increase in the richest five states of Karnataka, Haryana, Telangana, Gujarat, and Tamil Nadu.

3. Tourism Developments

3.1 Hon'ble Lok Sabha Speaker Shri Om Birla addresses the National Conference on Tourist Police Scheme- Referring to increasing digitization in the tourism sector; Shri Birla said that in the information era, tourists ordinarily get every information related to their travel through mobile. In this regard, Shri Birla emphasized on developing a mobile application which provides all relevant information related to the tourists to their destinations in multiple languages. He said that to ensure safe and comfortable travel, this app should provide updated and complete information about hotels, taxis, guides, etc., among other facilities, and facilitate police assistance whenever needed.

Shri Birla stressed on the need for quick police action in cases of crimes against tourists, saying that such steps increase the confidence of tourists and create a good environment. Shri Birla welcomed the establishment of tourism police by several State Governments from the point of view of tourism security and advised all the States and the Central Government to share best practices among themselves.

3.2 Hon'ble Minister of State Tourism Shri Shripad Yesso Naik inaugurates 'Paryatan Parv - 2022' at Chhatrapati Shivaji Maharaj Vastu Sangrahalaya, Mumbai- Paryatan Parv- 2022' kickstarted in Mumbai, with Hon'ble Union Minister of State for Tourism and Ports, Shipping and Waterways Shripad Yesso Naik inaugurating the three day Tourism Festival at Chhatrapati Shivaji Maharaj Vastu Sangrahalaya in Mumbai.

The Hon'ble Minister of State Tourism urged all states to focus on film tourism in the country and the upcoming G20 Presidency which is to be held in the country. He also appealed to the citizens to visit the tourist places in the country. He mentioned the recently held national conference on tourism where discussions centred on inclusive development with creative, sustainable and responsible tourism.

The Minister informed that the Ministry of Tourism has sanctioned Rs 7000 crore for the development of tourism-related infrastructure in the country. He also said that the Central Government is striving to promote tourism in rural areas. A comprehensive approach is being adopted for the development of the tourism sector, with all the stakeholder ministries working together for the development of the sector.

3.3 India Expo Centre & Mart, Greater Noida Conferred National Tourism Award 2018-19 for best standalone convention centre- India Expo Centre & Mart received the prestigious National

Tourism Award 2018-19 for best standalone convention centre during National Tourism Awards 2022 ceremony held at Vigyan Bhawan. Shri Rakesh Kumar, Chairman, India Exposition Mart Ltd. and Shri Sudeep Sarcar, CEO, India Exposition Mart Ltd received the award in the august presence of Shri Jagdeep Dhankhar, his Excellency Vice-President of India. Shri G. Krishna Reddy, Hon'ble Minister of Tourism, Culture and Development of North Eastern Region of India, Govt. of India, Shri Ajay Bhatt, Hon'ble Minister of State for Tourism, Govt. of India and Shri Arvind Singh, IAS, Secretary (Tourism), Govt. of India.

4. Business Reform Action Plan Implementation Scorecard

Improving India's regulatory framework for business is a key prerequisite for increasing investment in India and thereby creating jobs. The Government of India has already embarked on an ambitious agenda to improve India's Doing Business rank to fewer than 50 in the forthcoming World Bank's Ease of Doing Business Ranking; however, this effort will only address a small subset of the regulatory burden on investors. It is with this objective that, in December 2014, States agreed to a 98-point action plan to suggest potential reforms that should be undertaken to improve the regulatory framework for business nationwide. More importantly, this assessment allows us to generate a wide base of knowledge on how States have been addressing the task of reducing the regulatory burden on business, and identifying a series of good practices already underway in each State.

Other projects being dedicated by the Prime Minister include a water supply project: Morbi-Bulk pipeline project from Brahmani-2 Dam to Narmada Canal Pumping Station, a regional Science Centre, flyover bridges and other projects related to road connectivity.

8. Special Feature- Haryana at a glance

Haryana is among the northernmost states in India and adjacent to Delhi, the national capital of India. It is surrounded by Uttar Pradesh in the east, Punjab in the west, Himachal Pradesh in the north, and Rajasthan in the south. The state is one of India's largest automobile hubs and accounts for two-thirds passenger cars, 50% tractors and 60% motorcycles manufactured in the country. The state has also emerged as a base for the knowledge industry, including IT and biotechnology. Haryana is the third-largest exporter of software and one of the preferred destinations for IT/ITeS facilities.

The State Government of Haryana has been committed to creating a progressive business environment. The state offers a wide range of fiscal and policy incentives for businesses under the Industrial and Investment Policy, 2011. Haryana ranked the third best state in the country under ease of doing business in the Business Reforms Action Plan 2020.

Summary of Economic Indicators- Haryana

PHD Research Bureau

PHD Research Bureau; the research arm of the PHD Chamber of Commerce and Industry was constituted in 2010 with the objective to review the economic situation and policy developments at sub-national, national and international levels and comment on them in order to update the members from time to time, to present suitable memoranda to the government as and when required, to prepare State Profiles and to conduct thematic research studies on various socio-economic and business developments.

The Research Bureau has been instrumental in forecasting various lead economic indicators national and sub-national. Many of its research reports have been widely covered by the media and leading newspapers. The Research Bureau has undertaken various policy studies for the Government of India and State Governments.
