EXECUTIVE SUMMARY

The Travel, Tourism, and Hospitality sectors in India have long been a cornerstone of economic growth and cultural exchange. However, these sectors are experiencing a transformation driven by technology, changing consumer preferences, and the global travel landscape. To navigate these changes and unlock the potential for innovation, PHDCCI is organising the National Summit on Nurturing Travel, Tourism & Hospitality Startups: Strategies for Growth.

The summit aims to be a comprehensive platform that brings together Startups, Industry Leaders, Government Authorities, and Corporate Partners to address challenges, foster innovation, and chart a sustainable future for the travel, tourism, and hospitality sectors.

OBJECTIVES

- **Promote Entrepreneurship:** Encourage and inspire entrepreneurship in the travel, tourism, and hospitality sectors by showcasing success stories and providing a platform for aspiring startup founders.
- **Foster Innovation:** Facilitate discussions and workshops that focus on fostering innovation within the industry, encouraging Startups to develop creative solutions and disruptive technologies.
- **Knowledge Sharing:** Create a forum for sharing industry insights, best practices, and market trends to help Startups make informed decisions and stay competitive.
- **Investor Connect:** Facilitate networking opportunities between Startups and potential investors, including venture capitalists, angel investors, and government funding agencies.
- **Market Access:** Assist Startups in gaining access to larger markets and international opportunities, enabling them to expand their businesses globally.
- **Policy Advocacy:** Advocate for favorable policies and regulations that support the growth of travel, tourism, and hospitality Startups, working closely with government representatives.
- **Sustainability and Responsible Tourism:** Emphasize the importance of sustainable and responsible practices in the industry, promoting eco-friendly initiatives among Startups.
- **Partnership Development:** Facilitate partnerships and collaborations between Startups and established industry players, leading to mutually beneficial relationships.
- **Showcase Startups:** Provide a platform for Startups to showcase their products, services, and innovations, allowing them to gain visibility and attract potential customers and partners.
