NATIONAL GREEN INFRASTRUCTURE CONCLAVE

"विकसित भारत 2047-प्रगति पथ"

MARCH 14, 2024

THE PARK, NEW DELHI

10:30^{am}

FOCUS ON ENVIRONMENT, TECHNOLOGY AND SAFETY

ABOUT THE CONCLAVE

A robust and efficient infrastructure is critical for fostering inclusive and sustainable economic growth of India. Multi-modal connectivity enhances resilience of domestic supply chains, green infrastructure, inclusive and digital operations.

It requires focus on the planning and implementation phases which will further boost Bharat's efforts of transition towards green economy while reducing carbon emissions by almost 50% by 2030 and to be Net-Zero by 2070.

Recent technological advancements disruptive innovations like AI, Machine Learning, IOT, Automation, Data Science etc. have had a profound impact on various aspects of infrastructure development. The integration of new age technology into infrastructure projects would also lead to development of Safe, Smart and Intelligent network.

Reuse, Renew and Recycle will help sustainable and eco-friendly execution of infrastructure projects by use of locally available raw materials, construction aggregates, metal scrap and C&D waste.

This will reduce execution time, costs and attract foreign investments while de-risking investments lead to better connectivity and enhance India's global competitiveness in export markets and help it in reaching the milestone of US\$ 47 trillion economy by 2047

Against this dynamic background, PHDCCI NATIONAL GREEN INFRASTRUCTURE CONCLAVE 2024 on the theme “विकसित भारत 2047-प्रगति पथ” focussed on Environment, Technology and Safety is being organized on THURSDAY MARCH 14, 2024, 10:30 AM at THE PARK, NEW DELHI.

The conclave will mainly deliberate upon:

- Key actions required to create vibrant and efficient integrated transportation system.
- Infrastructure challenges that inhibit the growth of transportation and logistics sector
- Potential solutions required for the development of multi-modal transportation in India.

A large number of delegates from Industry, senior officials of Central and State Governments, Industrialists, Policy Makers, Thought Leaders, Financial Institutions, etc. are expected to attend the Conclave.

We feel honoured in inviting you to join the conclave or nominate a few senior officials from your organization to attend the same. Your presence and inputs will greatly enrich the deliberations.
