KNOWLEDGE PARK-II, GREATER NOIDA,
UTTAR PRADESH

ABOUT THE EVENT

UFSEC third edition scheduled to be held on 24th & 25th July, 2024 at India Expo Centre & Mart, Greater Noida, is planned with a vision to create safe & sustainable future through business excellence. The event is planned in collaboration with Relief Commissioner Office, Government of Uttar Pradesh, Labour Department, Government of Uttar Pradesh and Uttar Pradesh Fire Services along with Safety Appliances Manufacturers Association (SAMA)

Revolving around the theme of "**CREATING A SAFE, SUSTAINABLE AND A RESILIENT FUTURE**" would envisage co-learning through sharing of knowledge and best practices, promoting interactions between different stakeholders and forging new partnerships and networks.

UFSEC will provide a unique opportunity for fire & safety professionals to engage with leading commercial, industrial safety, & fire product and service providers and creating the ideal platform for exhibitors to showcase their products & services.

OBJECTIVE

- To highlight the pivotal role of emerging markets in driving global economic growth and recovery, wherein organisations worldwide strive to cultivate a proactive safety culture, ensuring resource sustainability while achieving business excellence.
- To showcase best practices demonstrating how technology enhances workplace safety conditions.
- Mainstreaming Disaster Risk Reduction (DRR) for sustainable development across various industries.
- To explore the latest developments in occupational safety and health (OSH) regulations.
- To analyze emerging trends in safety culture and Health, Safety, and Environment (HSE) practices.
- Enhancing disaster preparedness, both during and after disasters, to improve response effectiveness.
- Developing sustainable strategies to reduce industrial disaster risks and their global impact.
- To bridge knowledge gaps among stakeholders and formulate actionable plans.
- Identifying areas of excellence and fostering global collaborations in DRR efforts.
- Emphasizing multi-stakeholder involvement and their contributions to DRR initiatives.
- To position Uttar Pradesh as a global hub for firefighting and safety equipment.

PHD CHAMBER OF COMMERCE AND INDUSTRY VOICE OF INDUSTRY AND TRADE

PHD Chamber of Commerce and Industry (PHDCCI), a National Apex Chamber, established in 1905, has been relentlessly working for the socio-economic development of India and for promotion of Indian industry, trade and entrepreneurship across the globe.

PHDCCI has been an active participant in the India Growth Story through its Advocacy Role with Government of India and State Governments. With local roots and global reach, the PHD Chamber of Commerce and Industry (PHDCCI) helps businesses of all sizes connect, succeed, and expand.

Collectively, PHDCCI represents over 1,50,000 businesses of varying sizes that employ over ten million people all across India. We also have a robust international network consisting of over one hundred chambers of commerce and business groups located on every continent.

Together with policymakers, we drive change from the bottom up and assist businesses of all sizes in achieving more. We assist businesses in establishing relationships on all levels. We are the industry's trusted voice. We also give our member companies a respected voice, ensuring their concerns and priorities are heard in the halls of power.

PHDCCI IS A SINGLE PLATFORM THAT PROVIDES:

- A pool of best manufacturing companies of all sizes
- Product launches for wider market access in India
- Business lounge facility for all your private business meetings
- Water Audit services
- PHDCCI Centre for Sustainability
- Arbitration and conciliation facilities
- Provident Fund help desk for your businesses
- A communication tool to increase your visibility and promote your services and products
- Exclusive member-to-member product and service offers
- Research based policy inputs to the members
- Opportunity to take part in international exhibitions through market access initiative of GOI
