

**SEMINAR ON
STRENGTHENING
INDUSTRIAL SAFETY:
INTEGRATING FIRE SAFETY WITH RISK MANAGEMENT**

20 **December 2024**
3 pm-6 pm
Vivanta Bhubaneswar
DN Square, Odisha

CONTEXT

As Odisha undergo rapid industrialization, the need for comprehensive safety and fire management systems becomes increasingly crucial. The region's unique geographic and climatic conditions, coupled with accelerated industrial growth, present specific challenges that demand advanced safety measures and effective fire management strategies. Ensuring safety, mitigating fire risks, and developing robust recovery plans are essential for maintaining operational resilience, protecting assets, and safeguarding the lives of workers and residents. This seminar will focus on addressing the safety and fire management needs specific to industry in Odisha. By exploring preventive measures, recovery strategies, and the integration of cutting-edge practices, the event aims to provide a comprehensive platform for dialogue among industry leaders, government officials, and safety experts. The goal is to foster collaboration and develop actionable strategies to enhance safety standards, emergency preparedness, and recovery capabilities in the region.

OBJECTIVES

- To examine the role of safety and fire management in supporting industrial resilience from prevention to recovery in Bhubaneswar and Odisha.
- To discuss regulatory frameworks and standards relevant to safety and fire management in Odisha.
- To identify technological innovations and best practices for preventing and responding to fire hazards and safety challenges specific to the region.
- To promote collaboration among industry leaders, government officials, and safety experts to enhance safety measures and preparedness throughout the lifecycle of industrial operations.

PROGRAM STRUCTURE

- 3 PM – 3:30 PM | Registration and Tea
- 3:30 PM – 4:30 PM | Keynote Session - From Prevention to Recovery:
- Comprehensive Safety Measures for Industrial Stability
- 4:30 PM – 5:30 PM | Technical Session - Training for Safety: Building a Culture of Fire Risk Awareness
- 5:30 PM onwards | Networking & High Tea

OUTCOMES

- **Strategic Understanding:** Gain insights into the critical role of safety and fire management in supporting industrial stability from prevention through recovery.
- **Regulatory Insights:** Understand the regulatory requirements and standards.
- **Technological Innovations:** Explore innovative technologies and best practices in fire safety, prevention, and recovery.
- **Collaboration:** Strengthen partnerships among stakeholders to advance safety and fire management.

DELEGATE PROFILE

- Government Officials from safety, fire, and industrial ministries in Odisha.
- Industry Leaders from sectors with significant safety and fire management needs.
- Safety and Fire Management Professionals.
- Investors and stakeholders involved in industrial infrastructure projects.
- Technological Innovators in safety and fire prevention.
- Policymakers focused on industrial safety and disaster management.
- Academia and Researchers in safety engineering and disaster management.

SEMINAR ON **STRENGTHENING INDUSTRIAL SAFETY:** **INTEGRATING FIRE SAFETY WITH RISK MANAGEMENT**

About PHDCCI:

PHDCCI has been working as a catalyst for the promotion of Indian industry, trade and entrepreneurship for the past 119 years. It is a forward looking, proactive and dynamic PAN-India apex organization. As a partner in progress with industry and government, PHDCCI works at the grass roots level with strong national and international linkages for propelling progress, harmony and integrated development of the Indian economy.

PHDCCI, acting as the “Voice of Industry & Trade” reaching out to more than 1,50,000 large, medium and small industries, has forged ahead leveraging its legacy with the industry knowledge across multiple sectors to take Indian Economy to the next level.

At the global level, we have been working with the Embassies and High Commissions in India and overseas to bring in the International Best Practices and Business Opportunities.
