

# Uttarakhand Pharma & Healthcare Conclave and Samman 2025

Innovating Healthcare: Bridging Gaps through Technology, Research, and Collaboration

**26th September 2025**  
**Hotel Hyatt Centric, Dehradun**

## Background:

The healthcare and pharmaceutical sectors in India are undergoing a transformative shift, driven by innovation, research, and digital integration. Uttarakhand, with its growing medical infrastructure, skilled human resources, and natural potential for wellness and health tourism, stands poised to emerge as a key regional hub.

In this context, there is a growing need to bring together stakeholders from across the healthcare spectrum—industry leaders, medical professionals, researchers, policymakers, and entrepreneurs—to explore new trends, share knowledge, and recognize excellence in the sector.

## OBJECTIVE:

*The Uttarakhand Pharma & Healthcare Conclave and Samman 2025 aims to:*

- Foster dialogue on the future of healthcare and pharma in Uttarakhand and India.
- Showcase emerging technologies in medical devices, clinical trials, telemedicine, and digital health.
- Promote collaboration between academia, industry, and the public sector.
- Encourage innovation in medical equipment manufacturing, health insurance models, and medical outsourcing.
- Recognize outstanding contributions through a prestigious Samman ceremony.

## Key Focus Areas:

### **Medical Devices and Equipment Manufacturing**

- Innovations and localization
- Regulatory frameworks and compliance
- Investment opportunities in Uttarakhand

### **Clinical Trials and Pharma Outsourcing**

- Opportunities for CROs (Contract Research Organizations)
- Ethical and regulatory considerations
- Research infrastructure in the state

### **Digital Health and Telemedicine**

- Expanding access to rural populations
- Platforms and applications for teleconsultation
- Integration with primary healthcare systems

### **Artificial Intelligence & Machine Learning in Healthcare**

- Predictive analytics and personalized medicine
- AI in diagnostics and patient care
- Data governance and security

### **Medical Tourism**

- Leveraging Uttarakhand's wellness and natural healing potential
- Infrastructure and global partnerships
- Branding and promotion strategies

### **Health Insurance and Financing**

- Innovative insurance models
- Inclusion of emerging therapies and digital services
- Challenges in rural coverage

## Proposed Activities:

- **Inaugural Session:** Keynotes by government dignitaries, industry leaders, and health experts
- **Technical Sessions:** Thematic panels on each focus area
- **B2B Networking Lounge:** Facilitated interaction among industry, startups, and service providers
- **Innovation Showcase:** Exhibition of medical devices, digital platforms, and research outcomes
- **Samman Ceremony:** Honoring excellence in pharma innovation, healthcare delivery, digital health, etc.

## Target Participants:

- Healthcare professionals and administrators
- Pharmaceutical and medical device companies
- Healthtech and AI startups
- CROs and research institutions
- Government departments and policy think tanks
- Health insurance providers and TPAs
- Investors and international delegates

## Expected Outcomes:

- Strengthening Uttarakhand's position as a healthcare and pharma hub
- MoUs and collaborations between stakeholders
- Launch of new digital health initiatives
- Recognition of exemplary work across the ecosystem
- Policy recommendations for inclusive and tech-driven health growth
