

PHDCCI Global Delegation to the

May 30 – June 7, 2026

Exploring Cooperative and Industry Synergies
for Sustainable Growth

www.phdcci.in

About PHDCCI

Established over 120 years ago, PHDCCI is a proactive, pan-India apex organization dedicated to advancing Indian industry, trade, and entrepreneurship. As a catalyst for progress, PHDCCI fosters partnerships between industry and government, driving sustainable economic development through grassroots initiatives and robust national and international linkages.

Representing over 150,000 large, medium, and small enterprises, PHDCCI serves as the “Voice of Industry & Trade,” leveraging its legacy and sector-specific expertise to elevate the Indian economy. Globally, PHDCCI collaborates with embassies and high commissions to promote international best practices and business opportunities.

Join Our Global Delegation

PHDCCI invites you to participate in a transformative 8-day delegation to the USA from May 30 to June 7, 2026. Building on the success of our 2025 Netherlands Delegation, this study tour will focus on cooperative models, advanced technologies in the energy sector, and trade opportunities in agriculture, dairy, renewable energy, and hydrocarbons.

Why Participate?

- **Gain Insights:** Learn from U.S. industry leaders and experts.
- **Foster Partnerships:** Establish trade and technology collaborations.
- **Strengthen India's Ecosystem:** Contribute to the growth of India's cooperative and energy sectors.
- **Enhance Your Profile:** Elevate your leadership presence and PHDCCI's global standing.

Delegation Overview

- **Duration:**
May 30, 2026 – June 7, 2026
- **Focus Areas:**
Cooperatives, Agriculture, Dairy, Renewable Energy, Hydrocarbons
- **Extended Stay Option:**
Extend your stay at your own expense with advance notice by October 15, 2025, for customized return tickets.

Objectives

- Study U.S. and Canadian cooperative models to strengthen India's 854,355 cooperatives.
- Explore adoption of IoT, fintech, renewable energy, and safety systems.
- Develop export frameworks for GI-tagged and organic products.

Program Fee

Occupancy Type (Economy Class)

Single Occupancy

Rs. 6,75,000 + 18% GST

Double Occupancy

Rs. 5,90,000 + 18% GST
