

NATIONAL CONFERENCE ON **INTEGRATING SAFETY** INTO SCHOOL CURRICULUM

10th December 2025

10:00 AM to 4:00 PM

**LPS Auditorium, PHD House
Hauz Khas, New Delhi**

Discussion Agenda

Safety in schools is essential for children's growth and learning. It encompasses physical safety, including secure buildings, fire drills, and safe playgrounds; health safety, such as access to clean water, toilets, and first aid; and emotional safety. A safe school environment allows students to focus on learning, parents to trust the system, and teachers to teach without stress, ensuring overall development in a protected and supportive atmosphere.

With this background, PHDCCI is organising a National Conference on Integrating Safety in School Curriculum.

Key Objectives

- Promote a culture of safety and preparedness in schools
- Advocate for the inclusion of safety education in formal curricula
- Address challenges like cyberbullying, fire safety, mental health, and road safety
- Develop practical, age-appropriate modules for implementation across schools
- Facilitate dialogue between government, educators, and regulatory bodies

Delegate Profile

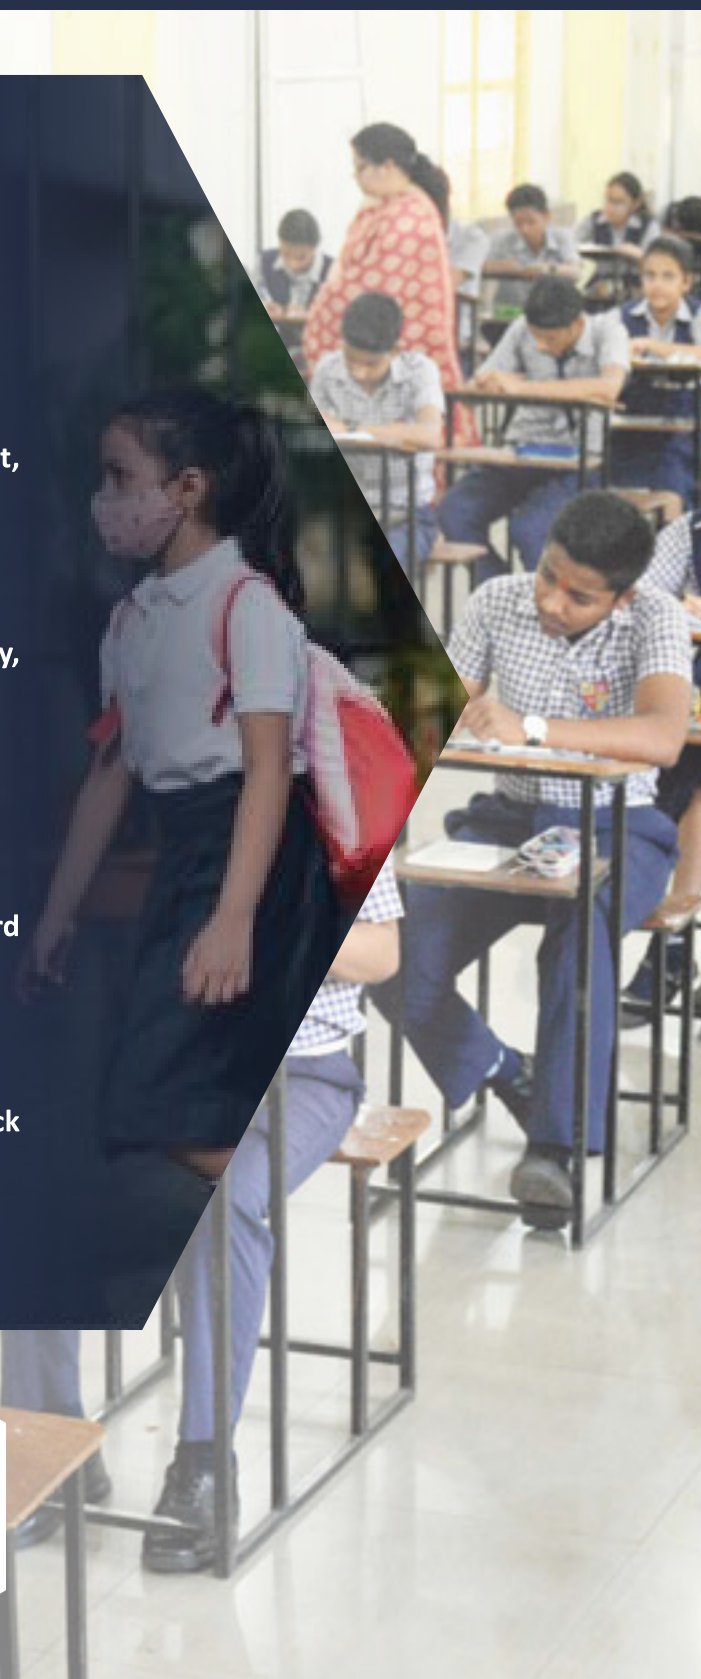

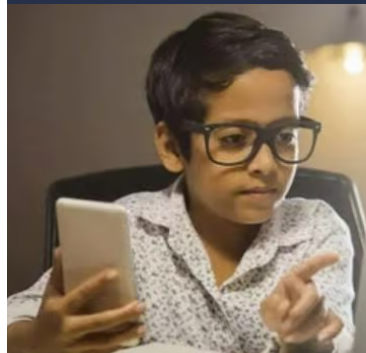

- School Principals, Directors, and Trustees
- Teachers and Academic Coordinators
- School Counsellors and Psychologists
- Curriculum Planners and Education Consultants
- Representatives from CBSE, ICSE, and State Education Boards
- NGOs and Foundations working on child safety & education
- EdTech, Safety Technology and Infrastructure Providers
- Safety Training & Disaster Response Agencies

1. Cyber & Digital Safety – Safe internet use, privacy, screen addiction
2. Mental Health & Emotional Safety – Bullying, stress, anxiety management
3. Road Safety & Travel Protocols – Safe commuting, helmets, zebra crossing habits
4. Fire & Disaster Preparedness – Evacuation drills, equipment usage
5. Health, Hygiene & Physical Safety – Sanitation, nutrition, emergency first aid
6. School Infrastructure Safety – Fire exits, CCTV, ergonomic classrooms
7. Legal & Social Safety Awareness – POSCO, child rights, gender sensitivity
8. Community & Parent Engagement – Joint safety responsibility

Program Overview

- **Technical Session I (11:15 AM – 12:30 PM)**
Redefining School Safety: Infrastructure to Inner Wellbeing
Discussion Framework: Mental wellness, school environment, POSCO, bullying prevention, staff training
- **Technical Session II (12:30 PM – 1:30 PM)**
Cyber Safety & Responsible Digital Behaviour in Schools
Discussion Framework: Online threats, safe browsing, privacy, screen time, tools & intervention strategies
- **Lunch Break (1:30 PM – 2:15 PM)**
- **Technical Session III (2:15 PM – 3:00 PM)**
Curriculum Integration: A Roadmap to Safer Schools
Discussion Framework: Syllabus design, training for teachers, board guidelines, assessment models
- **Technical Session IV (3:00 PM – 3:45 PM)**
Policy Draft for Submission: Key Recommendations
Presentation of proposed structure, sample modules, feedback collection
- **Valedictory Session (3:45 PM – 4:00 PM)**
Concluding Remarks & Vote of Thanks

About PHDCCI

Established over 120 years ago, the PHD Chamber of Commerce and Industry (PHDCCI) is a leading industry body working at the grassroots level to accelerate India's economic and social progress. As the "Voice of Industry & Trade", it represents over 150,000 companies across sectors—large, medium, and small.

PHDCCI is actively involved in educational policy dialogue, health & safety reforms, and youth development initiatives. Through national and international collaborations, it works towards building an ecosystem that supports innovation, safety, and sustainable growth.
