Film tourism has become one of the most dynamic drivers of destination branding and economic growth. As audiences turn out to be greater engaged with visual narratives, their desire to explore well-known filming places will increase, turning movies and TV shows into amazing advertising gear for tourism.

With this in focus, PHD Chamber of Commerce and Industry (PHDCCI) is organizing the 8th Global Film Tourism Conclave (GFTC) in February 2026, Mumbai, the heart of Bollywood.

Since its inception in 2016, the Global Film Tourism Conclave (GFTC) organized annually by PHDCCI has established itself as India's premier platform connecting the film industry, tourism stakeholders and policymakers to explore the symbiotic relationship between cinema and tourism.

Supported by the Ministry of Tourism, Government of India and leading Tourism Boards, the conclave brings together eminent filmmakers, producers, OTT leaders and destination marketers to discuss policies, co-production opportunities, incentives and emerging global trends in film tourism.

OBJECTIVE

- To create a platform for tourism boards to showcase their film locations
- To encourage film shoots in India and promote tourism
- To market film tourism as an important tool for employment generation
- To address challenges faced by the film industry in destination selection
- To attract filmmakers to destinations offering tax benefits and support
- To connect tour operators and filmmakers to develop film-inspired travel packages
