# TEAM BUILDING, EMPLOYEE ENGAGEMENT

## & more over Management Through Sports

Building on the tremendous success of the PHDCCI Super Sixes tournament 2023, witnessing remarkable participation and enthusiasm, we are thrilled to bring it back by popular demand. Last time, the event not only showcased some fantastic cricketing talent but also became a platform for employees to connect, display leadership on the field, and engage in a lively team spirit.

This year, we aim to elevate that experience even further. With the same fast-paced Super Sixes format, we'll continue to emphasize not just the thrill of the game, but the qualities that make our teams strong: quick thinking, collaborative leadership, and a shared sense of fun. We've had so many requests to bring this tournament back, and we're excited to deliver an even more engaging and inspiring event this time around.

The tournament will encourage a high competitive spirit of sportsmanship where strategy and skill will add to the thrill and excitement of the game. As this is a one day event all participating corporates will be present at the venue pulling a population of 350+ employees and guests.
